**PAUL GEORGE ANDERSON
DOMESTIC MATTERS -
RACIAL MATTERS**

On August 8, 1961, Detective [redacted] b6 b7C
Chicago Police Department, advised the Chicago Office
of the Federal Bureau of Investigation that he had
learned from a confidential source that on August 7,
1961, Paul George Anderson, Chicago, Illinois, attempted
to convert another individual to the philosophy of the
Institute for Bio-Politics. When escorting that
individual to a social function on the same date,
Anderson used public transportation and stated he was
going so because "He was saving his money to buy a gun
to shoot President Kennedy".

The files of the Passport Office, United
States Department of State, Washington, D. C., reflected
that on an application for a passport dated January 20,
1959, Anderson stated he was born on April 11, 1936,
at Chicago, Illinois. He gave his permanent residence
at 5 North Wabash Avenue, Chicago 2, Illinois, and his
mailing address as care of M. C. Anderson, Gold Company,
same address. He identified his father as Maurice
Anderson, born on June 23, 1900, at Chicago, Illinois,
who was then residing at 5 North Wabash Avenue, Chicago.
He listed his mother as Adele Anderson, born on April 4,
1902, at Chicago, Illinois, who at that time resided at
4300 North Lake Shore Drive, Chicago. He stated that
he had never been married.

A confidential source advised on November 6,
1954, that Paul George Anderson had been expelled from
Switzerland for political activity and at that time

was a member of the National Renaissance Party (NRP) which has for a motto, "We will do for America what Hitler did for Germany".

2 A second confidential source stated on May 19, 1955, that the NRP at present is a neo-Nazi, anti-Semitic, anti-Negro organization with activities presently confined to the New York City area. This source stated that present activities of the NRP consist of outdoor meetings and distribution of literature throughout the United States and abroad, where it is reprinted by other similar organizations. He stated that at present the Party membership is very small.

The April, 1955, "National Renaissance Bulletin", official NRP publication, listed headquarters at 10 West 90th Street, New York City.

The NRP was the subject of a preliminary report on neo-fascist and hate groups published by the House Committee on Un-American Activities on December 17, 1954, which stated that this group's activities and propaganda are clearly subversive and un-American.

A third confidential source advised on January 13, 1960, that Paul George Anderson reportedly is "the head man" in the reactivation of an organization in Chicago, Illinois, which is called the "Institute for Bio-Politics". The source described this organization as anti-Semitic and anti-Negro in character and said that there is little doubt in the mind of the source that the men in control of the Institute for Bio-Politics feel that the Negro and the Jew must ultimately be done away with in some fashion. The movement, the source stated, is not international, but because of alleged close ties maintained with leaders of similar organizations abroad, it is not restricted to activity in the United States.

Surveillance of subject re/ subversive activity.

1. The above investigation was instituted after the subject made the acquaintance of a female informant. Our informant stated she first met the subject in the Riverside Club, which is directly across the street from the Merchandise Mart Building on Wells Street. She stated she entered the above location after 1600 hours with a female friend. While her female friend was in the wash room the above subject introduced himself to her at the bar. The subject was accompanied by another unknown male.

2. Our informant and the subject had a conversation and during the conversation it became evident that the subject was either a Psycho case or a subversive person. She stated the subject was loud in voicing his Anti-Semitic, Anti-Catholic and Anti-Negro opinions. He was also loud in denouncing the present form of the American government (error- loud should be strong). He displayed literature from the American Nazi party which had printed statements attributed to LINCOLN ROCKWELL. The subject was also strong in his praise of Russia. The subject asked the female informant for a date and promised to take her to dinner and one of the biggest gambling joints. He did not state whether the gambling joint was in Chicago or outside of Chicago. While he was on the subject of gambling joints the subject bragged about being acquainted with the top hoodlums in Chicago. Our informant accepted the invitation to dinner and tour of the gambling joint feeling that she could perform a public service as an undercover worker. The date was arranged for both parties to meet at the Prudential Plaza Building, Beaubein Court and Randolph, on Monday August 7, 1961 at 1730 hours.

3. The reporting officer set up a surveillance at the above location at 1700 hours. At 1730 hours the female informant appeared and met the subject who had been waiting outside of the Prudential Plaza Building. The two persons then went into the GIERALPAR ROOM at the Prudential Building where they had dinner. They were also served mixed drinks. The reporting officers set up a surveillance in the same dining room and observed the subject displaying literature and other paraphernalia, (Which was later found to be Pass Ports).

4. While they were having dinner the female informant excused herself on the pretense of going to the wash room. At this time the informant stated the subject was naming Admirals and Generals, whom he stated were in Washington D. C., as being in the same organizations as the subject.

Page two re/ Investigation of Paul Anderson per subversive activity.

4. (continued) The subject displayed a list of names which listed many top commanders in the U.S. Armed forces.

5. The subject also commented on being a member of the YAWARA SCHOOLS OF JUVENILE, 1126 W. Granville. He stated the school was owned by a hoodlum and many criminals are members. (A financial report and Ill. State Dept. of Registration and Education data will be requested)

6. The informant and the subject remained in the Gibraltar Room until about 2100 hours. Shortly before they left the subject used the wash room and the telephone (He did not reach his party and hung up) .At that time the subject's picture was taken with a Polaroid Camera without the subject being aware of it.

7. At about 2100 hours the subject and the informant left the above location and walked to Randolph and Michigan. After a short wait they boarded the bus and rode to Walton and Michigan. They then walked west on Walton to Rush Street and then north on Rush to the BOULEVARD STREET NIGHT CLUB, 936 N. Rush Street. They both sat at the bar and were served mixed drinks. The reporting officers set up a surveillance in the above location sitting at the bar. After two drinks the officers decided to set up a surveillance in the Chinese Restaurant which is directly across the street from BOULEVARD STREET.

8. The reporting officers watched the entrance of the above location until about 2330 hours at which time the subject and the informant emerged from the night club. They both walked north to the Zebra Lounge, 1220 N. State. They had one drink and left the lounge. Both persons got into a cab and drove to 4323 N. Calverton. The subject got out of the cab and walked west across Calverton. Two of the officers maintaining the surveillance followed the subject on foot to the Monterey Hotel, 6032 1/2 Junior Terrace. The other remaining officer in the tail car followed the cab which was taking the female informant home.

9. When the female informant arrived at her home she informed the officer in the tail car that she desired the officers to be present so that all of the information she obtained could be recorded correctly. The officer returned to the vicinity of the Monterey Hotel and informed the other officers of the informant's request. The officers all returned to the informant's home accompanied by a police woman who was assigned by the Youth Bureau to assist the officers in the interrogation.

10. The informant stated in the presence of the police woman substantially the same as related in the report. She stated the subject bragged about being in Europe on missions in connection with his activity. One country he named was Portugal. She furnished us with copies of literature which the subject had given to her. The literature is anti-semitic and anti-catholic. The literature bears the endorsement of " LINCOLN ROCKWELL " . Copies of the literature is attached to this report.

11. She also stated the subject spoke out against President Kennedy and on one occasion stated " I'm saving my pennies so that I can buy a gun and kill President Kennedy ". She asked the subject about the gambling place and he informed her she would have to be seen with him a few nights in order for her to be trusted by the hoodlums. He made a tentative date to take her to the alleged gambling joint on Wednesday Aug 9, 1961. (Details later)

b6

b7D

MAX NELSEN and PAUL ANDERSON have informed that they operate an organization referred to as "The Institute" (Institute of Bio-Politics) but also frequently refer to "The States Rights Party" and seem to speak of both organizations interchangeably. They have displayed a considerable amount of literature from various other organizations and are attempting to recruit [REDACTED] into "their" organization. NELSEN has denied any connection with the American Nazi Party (ANP) stating he does not agree with GEORGE LINCOLN ROCKWELL's methods. However ANDERSON has privately displayed ANP literature to [REDACTED] and speaks in a manner indicating he may have ANP affiliations.

b6
b7C

NELSEN has mentioned a "security unit" and a "police force" of "their organization" and states they have recruited some ex-members of the ANP who form the nucleus of a security guard. On August 7, 1961, NELSEN informed of a "States Rights" meeting which he has called for August 10, 1961, at the LaSalle Hotel, Chicago, at 8:00 PM. This meeting, according to NELSEN, will be listed on the hotel board in his name. The purpose of the meeting is to elect officers and to recruit applicants for the "police force". NELSEN stated he would like [REDACTED] to instruct the "police force" in defensive tactics and is currently looking for a place in which to hold a school where these individuals will also receive training in the use of small arms, bombings, and the inciting of race riots, looking toward the day the "organization" takes over.

[redacted] stated he believes NELSEN to be a psychopath in that as NELSEN puts it, when "the day" comes there will be mass murder and the shooting down of people in front of places like Roosevelt University. ANDERSON speaks of obtaining machine guns for the security force and both have stated that when they start dealing with assassins and bombers they will not be dealing with syndicate hoodlums but instead with "trained sadists". According to

b6
b7C
b7D

[redacted] NELSEN lives in the past, believing that the best era was the 1920s when organized crime was dominant. He has ideas of returning to those conditions but "instead of bootlegging liquor we will bootleg ideas with our own enforcers". NELSEN has indicated some connection with a Sicilian nationalist group headquartered in the vicinity of Ashland Avenue and Diversey. Both NELSEN and ANDERSON have mentioned an awareness of "plastico" a dough explosive used in demolition work and also are aware of other means of causing delayed explosions such as uncorking a bottle of liquid carbide in a closed room with a lighted candle to explode the carbide when sufficient fumes have filled the room. The use of a propane torch tank has also been mentioned for use in the same manner.

ANDERSON and NELSEN have commented on the bombing of synagogues in the past, stating they are not interested in bombing empty buildings - that if they bomb one it would be filled with people.

In regard to "the organization" [redacted] has been told that NELSEN is "the theorist", ANDERSON is "liaison", [redacted] is "security", and EUSTACE MULLINS is "the propagandist".

b6

Reference is made to memorandum dated October 12, 1961, captioned as above.

cyt-8
[A confidential source] advised on April 5, 1962, that he had just learned that Paul George Anderson had returned from his recent European trip and was again residing in Chicago, Illinois. To the best of source's knowledge, Anderson returned to Chicago in early March, 1962.

cyt-1
Source stated that Anderson previously claimed his intended purpose for traveling to Europe was to visit Portugal on business, in that he, Anderson, and others, are allegedly concerned in certain transactions with the Portugal government to establish a public relations office in Chicago, Illinois, representing that country.

cyt-1
Anderson has advised that he received a good reception from "the Portuguese government", however, the idea proposed by him was turned down reportedly at the instigation of the Portuguese Ambassador to the United States. The Ambassador apparently looked into his background and found him "too radical", Anderson theorized.

cyt-1
This source stated that Anderson has advised he will continue to induce the Portugal government to invest money in the proposed public relations office in Chicago. If Portugal refuses, source continued, Anderson intends to capitalize on the "poor press" Portugal has received in recent months from such things as Goa, etc.

Anderson claims to have "lined up" George Lincoln Rockwell, National Commander of the American Nazi Party (ANP) and should Portugal continue to decline their investment in

the public relations firm, they, apparently meaning Anderson and Rockwell, will throw the full support of Rockwell and his ANP behind Portugal. Source claims apparently Anderson considers this sufficient pressure, considering the bad publicity that would result from such support, to induce Portugal to accept the idea.

Source added that Anderson claims the Vice President in Charge of Foreign Banking, First National Bank of Chicago, has been looking into his, Anderson's background.

Regarding Anderson's recent trip abroad, source stated Anderson claims to have visited his "usual stops" but did not elaborate as to specific countries.

Anderson states he intends to leave the United States again for Europe in approximately two months. His plans in this connection were not discussed, source stated.

Source advised that since Anderson's return he has been unemployed and apparently does not intend to seek employment in view of his proposed trip to Europe.

On April 4, 1962, [redacted] Monterrey Hotel, 800 Junior Terrace, Chicago, Illinois, advised that Anderson returned from Europe and again undertook residence at that hotel in late February, 1962. [redacted] stated that the exact date of Anderson's return and registration at that hotel is not at present available.

The (first) source (mentioned) advised that he has no way to evaluate the information furnished to him by Anderson. Source stated that Anderson is noted for his tendency to embellish his activities as well as to report on occasion certain activities which are pure fabrication.

To here → A source advised on February 27, 1959, that George Lincoln Rockwell of Arlington, Virginia, held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

Paul George Anderson

The source advised on May 4, 1960, that Rockwell was referring to his organization as the ANP and that stationery carried the letterhead as the ANP of the WUFENS.

Rockwell on March 26, 1959, furnished Special Agents of the Federal Bureau of Investigation a copy of the program of the WUFENS stating that he expects to become president of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

The source advised in May, 1960, that the headquarters of the group is located at 928 North Randolph Street, Arlington, Virginia, and that the main activity of the organization since its inception has been the distribution of anti-Jewish material and open air talks in the Spring of 1960 on the Mall in Washington, D.C.

This document contains neither recommendations nor conclusions of the Federal Bureau of Investigation. It is the property of the Federal Bureau of Investigation and is loaned to your agency; it and its contents are not to be distributed outside your agency.

The meeting of the National States Rights Party
(NSRP) for June 16, 1962, in Chicago, Illinois, which was
advertised in the "Thunderbolt", official organ of the NSRP,
and the meeting of captioned organization held that date in
Chicago, Illinois, were one and the same meeting. As the
Bureau will note, information in referenced Chicago communications
report some doubt as to the actual sponsor of mentioned
meeting since only occasional reference was made to the NSRP.
A review of material available regarding the meeting raises
question as to what purpose was served by this meeting in
relation to either the NSRP or the Institute for Biopolitics
since no action was taken to increase the membership, enhance
the financial standing, or further the cause of either group
in any way.

Chicago files, reviewed regarding the status of
subject organization, disclosed no evidence that an Institute
for Biopolitics does in fact exist as an organization.
Information available indicated "this is a paper organization"
formed by MAYNARD ORLANDO NELSEN, PAUL GEORGE ANDERSON, and
EUSTACE CLARENCE MULLINS for the purpose of providing an
outlet for distribution of material prepared by them and
of offering them the opportunity to express their views

Set forth below is a self-explanatory memorandum

Alleged Nazi Leader, Anderson

As you requested, the following is an account of my
meeting with Mr. Anderson, believed to be Paul George
Anderson, at the Cordoba Palace Hotel in Cordoba, July 24th,
1962.

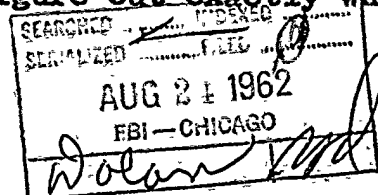

During a visit to Cordoba a few weeks ago, a friend,
[redacted] of the British Embassy in Madrid) and
I met two men at the Cordoba Palace Hotel swimming pool
who invited us to join them for a drink. One was an American
in his 20's, blondish, who introduced himself as a Mr. Anderson,
and the other was older and British. The older man said
almost nothing throughout the whole conversation, except
occasionally to contradict Anderson. They said they had just
met recently and were travelling together for a few days.

b6
b7C

Anderson asked me where I was from, and when I said
Michigan, he asked, 'and where might that be?' He had
sounded American to me, but had very long hair, so I thought
he might possibly be British with a poor knowledge of
geography, so I explained. A little later he told me he
was from Chicago. When I said he certainly sounded American
he was quite disappointed - said he was often mistaken for
something else, tho people couldn't figure out exactly what.

105-2363-121

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

"He said he was a writer, specializing in travel and political subjects. I asked him what magazines or papers he wrote for, and he first mentioned the house organ of an atheistic society. Then he began reeling off names of British, German, American, and I believe South American periodicals and papers, all extremist, I gathered, and some containing the name Nazi. I interrupted to ask him to be serious and tell me for whom he really wrote, but he said he WAS serious. I said 'Do you mean you are pro-Nazi?' He said 'Yes, - by the way, our boys have been doing a good job in England these past few days - have you read about them in the papers?'

He went on to tell me that he had just returned from Almeria and was resting for a few days in Cordoba. He said he had travelled in every town in Spain, including the Spanish Possessions, and every town in Europe, except one in Rumania. I said that from the sound of the papers he wrote for, they weren't much interested in travel news, and he said that as a matter of fact, they weren't.

He then began expounding on the fact that the Negro and Jewish problem at home had gotten out of hand, and mentioned that in Detroit there was a particularly big problem.

I asked him if he was active in Egypt, also, and he said no, but the vice-president of 'his organization' was often quoted by Radio Cairo. He mentioned twice the fact that he was very popular with the Portuguese Government because of articles he had written attacking some of our U. N. stands, and bragged that he had helped paint anti-American signs for the people who picketed our Embassy in Lisbon.

He then switched subjects and told me that during the Civil War in Spain they hung priests upside down and burned their brains out, and made nuns swallow explosives. I said he had a gory mind, and he said that the downfall of his enemies was his uplifting. He said that he liked Spain, but they would have to tackle their religious problem soon.

Suddenly he said 'By the way, what is your ancestry?' I said 'Jewish', and he told me to stop kidding - I didn't look Jewish - what was I really? I said he could like it or lump it, but I was Jewish - after all, Jews don't have to look like Jews. He agreed, and after a little silence said,

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

"Well, whenever I find I am talking to a Jew, I always say - too bad.' Then, 'but if it is any consolation to you, I can tell you that Israel is in no danger of invasion by the Arabs in the near future. They just CAN'T get together. 'And since the subject came up, I can't stand those Arabs either, - they are a slippery, slimy lot themselves.' I said that I rather liked the Arabs, and he said it was only because I didn't know any.

Next he stated that one of his dreams had always been to be the head of a concentration camp. I said I had some close friends who had spent six years in such a camp, and he retorted that no-one would have spent six years in any camp he ran.

He then asked if I had ever heard of Rockwell in the States. When I said yes, he proudly announced that he was Rockwell's European Representative, empowered to do business with anyone in Europe. At this I put enough money to cover my drink on the table, said I thought I was going to be sick, and left.

Since [redacted] and missed most of our conversation, she didn't realize why I had left and [redacted]. Later, when [redacted] and asked a waiter from the bar if he would take it out to her, since there was someone out there I did not like. He said, 'I understand perfectly' and when [redacted] because I did not wish to see THAT man, pointing out Anderson. Since I hadn't told him who I was trying to avoid, we assume that Anderson had made himself obnoxious to others too. b6 b7C

Later that evening, while having dinner, we saw Anderson and his friend approaching us, and we both turned our heads. [redacted] stayed on after I had finished dinner, to write a few postcards, and the two men joined her. [redacted] said Anderson continued to talk as he did earlier, and she and the British man argued with him for awhile until she excused herself. That was the last we saw of them." b6 b7C

The contents of the above memorandum were discussed with [redacted] by Assistant Legal Attaché [redacted] on August 10, 1962, at which time [redacted] substantially advised as follows:

With regard to paragraph 4 of the above statement, [redacted] was unable to recall the names of the magazines or

publications for which (FNU) ANDERSON claimed he wrote, but it was her impression that these publications were all extreme rightist type of publications.

With respect to paragraph 7 of the above statement, [] advised ANDERSON did not identify the vice president of "his organization" or further clarify what "this organization" was. It was [] opinion that the organization referred to by ANDERSON was probably the American-Nazi Party. She advised with respect to ANDERSON's boastful remarks relative to his anti-American and anti-United Nations activity in Portugal, that this activity took place at Lisbon, Portugal, in the early fall of 1961. b6 b7C

In connection with paragraph 11, [] advised ANDERSON did not otherwise identify "ROCKWELL", but it was her definite impression that he was referring to LINCOLN ROCKWELL, reported by the United States press as the leader of the American-Nazi Party. [] advised that during the brief period of her conversation with ANDERSON, he did not elaborate or describe in any detail his activities in connection with his alleged position as "Rockwell's European representative". b6 b7C

According to this source, members of the NSRP have learned that this meeting will be picketed by Negroes and Communists. Because of this, certain NSRP members in Chicago are planning to wear sidearms to the meeting and reportedly are "importing strong arm people" from Iowa and Pennsylvania in case there is any trouble.

A second source, who has furnished reliable information in the past, advised August 15, 1961, that the August 19, 1961 meeting of the NSRP will be picketed by representatives of the African American Heritage Association (AAHA).

On February 15, 1961, a third source, who has furnished reliable information in the past, advised that the AAHA was organized in Chicago by [redacted] a member of the Negro Commission of the Communist Party of Illinois. The Negro Commission of the Communist Party of Illinois has designated the AAHA as a point of concentration and infiltration.

According to the article that Party was formed at a recently held meeting in Knoxville, Tennessee, at which time many Klansmen were represented. The United White Party was reported as being opposed to all "race mixing organizations and individuals". In November, 1958, a fifth source, who has furnished reliable information in the past, advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

The Ku Klux Klan and the Communist Party, USA, have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

Re Madrid letter to Bureau dated 8-10-62 entitled
"PAUL GEORGE ANDERSON, IS-X."

On 8-28-62, the American Embassy, Madrid furnished a copy of a memorandum dated 8-24-62, classified, confidential, which the Embassy had received from the American Embassy in Lisbon, Portugal. This memorandum stated that [redacted] at the Hotel Mundial, Lisbon, had appeared at the Consular Section in Lisbon on August 23, 1962 to report a conversation he held with [redacted], an American guest at the Hotel who had subsequently returned to the United States. [redacted] had informed that he had traveled from Madrid to Lisbon aboard the Lusitania Express during which he met an American who introduced himself as PAUL ANDERSON. ANDERSON reportedly spoke freely about his participation in a movement to overthrow the United States Government in order to install a Fascist dictatorship. He allegedly displayed to [redacted] a copy of a news sheet entitled "The Thunderbolt" and referred to it as subversive. ANDERSON allegedly referred in disparaging terms to President KENNEDY and the United States Government in general. He boasted about his Marxist connections and revealed himself as being violently anti-Semitic.

b6
b7C

The Embassy in Lisbon concluded from available information that ANDERSON is identical with the subject of instant case. ANDERSON's address was furnished as Room 210 at the Hotel Mundial. The doorman stated he had no information as to how long ANDERSON planned to remain in Portugal. He stated ANDERSON is usually alone at the hotel and sometimes remains away for a period of several days at a time. He did not appear to have any employment. The [redacted] Long Island, New York.

She had informed that on July 24, 1962 while visiting Cordoba,
Spain, with a friend, she had encountered a Mr. ANDERSON,
believed identical with PAUL GEORGE ANDERSON, at the Cordoba
Palace Hotel. ANDERSON claimed to be a writer specializing in
travel and political subjects. He professed to represent a
number of periodicals and newspapers throughout the world, all
of which [redacted] believed were extremist publications and
probably pro-Nazi. He admitted to her that he was anti-Semitic
and claimed to be the European representative of ROCKWELL
(presumed to be GEORGE LINCOLN ROCKWELL), who was recently
deported to the United States from England. While ANDERSON
did not identify the organization with which he professed to
have connections, [redacted] believed that he had reference
to the American Nazi Party. He professed to have been engaged
in anti-American and anti-UN activity in Portugal during early
1961.

b6

[redacted] described ANDERSON as being in his
twenties, 5'10" to 6', approximately 170 pounds, light hair,
fair complexion and believed to have originally been from
Chicago.

Other information in the files of Legat, Madrid
reflects that PAUL GEORGE ANDERSON, 4300 North Lake Shore Drive,
Chicago, was born April 11, 1936 at Chicago, Illinois. He is
the grandson of Mr. OLSEN of the OLSEN and EBANN Jewelry Company
of Chicago. In 1954, ANDERSON received a passport in Chicago
for travel in Europe but this passport was later recovered by
the U.S. Department of State. In 1954 ANDERSON was reported to
have been expelled from Switzerland for political activity
for having been involved in a conspiracy to overthrow the
Yugoslav Government. ANDERSON reportedly worked for "We, The
Mothers" organization in Chicago and also claimed to have been
a member of the National Renaissance Party, both described as
anti-Semitic. On April 25, 1955, ANDERSON contacted the Soviet
Embassy in Washington, D.C., for the purpose of obtaining visa
applications to travel to the USSR. He also reportedly traveled
in communist Hungary and possibly Russia in 1956.

It is suggested that the New York Office contact

RACIAL MATTERS

On January 16, 1964, [redacted] Monterey Hotel, 808 West Junior Terrace, Chicago, Illinois, advised that Paul G. Anderson ~~currently~~ resided at that hotel having returned from abroad on November 1, 1963. [redacted] states that Anderson (who is unemployed) advised the hotel upon his return that he was "in from Austria."

On August 8, 1961, Detective [redacted] Chicago Police Department, advised the Chicago Office of the Federal Bureau of Investigation that he had learned from a confidential source that on August 7, 1961, Paul George Anderson, Chicago, Illinois, attempted to convert another individual to the philosophy of the "Institute for Biopolitics." When escorting that individual to a social function on the same date, Anderson used public transportation and stated he was doing so because "He was saving his money to buy a gun to shoot President Kennedy."

The files of the Passport Office, United States Department of State, Washington, D.C., reflected that on an application for a passport dated January 30, 1959, Anderson stated he was born on April 11, 1936, at Chicago, Illinois. He gave his permanent residence as 5 North Wabash Avenue, Chicago 2, Illinois, and his mailing address as care of M. C. Anderson, Gold Company, same address. He identified his father as Maurice Anderson, born on June 26, 1900, at Chicago, Illinois, who was then residing at 5 North Wabash Avenue, Chicago. He listed

his mother as Adele Anderson, born on April 4, 1902, at Chicago, Illinois, who at that time resided at 4300 North Lake Shore Drive, Chicago. He stated that he had never been married.

CG T-1 on November 6, 1954, advised that Paul George Anderson had been expelled from Switzerland for political activity and at that time was a member of the National Renaissance Party (NRP) which has for a motto, "We will do for America what Hitler did for Germany."

On May 19, 1955, CG T-2 stated that the NRP at present is a neo-Nazi, anti-Semitic, anti-Negro organization with activities presently confined to the New York City area. This source stated that present activities of the NRP consist of outdoor meetings and distribution of literature throughout the United States and abroad, where it is reprinted by other similar organizations. He stated that at present the Party membership is very small.

The April, 1955 "National Renaissance Bulletin," official NRP publication, listed headquarters at 10 West 90th Street, New York City.

The NRP was the subject of a preliminary report on neo-fascist and hate groups published by the House Committee on Un-American Activities on December 17, 1954, which stated that this group's activities and propaganda are clearly subversive and un-American.

On January 15, 1960, CG T-3 advised that Paul George Anderson reportedly is "the head man" in the reactivation of an organization in Chicago, Illinois, which is called the "Institute for Biopolitics."

On September 29, 1961, CG T-4 advised that Paul George Anderson departed the United States in the last week of April, 1960, for extensive foreign travel. He returned in November, 1960, and departed again in early 1961. He reportedly returned from abroad in June, 1961.

Source advised the following are cities visited by Anderson during the above periods:

London
Copenhagen
Stockholm
Molnar
Helsinki
Frankfurt ✓
Berlin (East and West)
Hamburg
Amsterdam
Paris
Vienna
Bucharest ✓
Madrid
Valencia
Barcelona
Balearic Islands
Portugal
Poland (cities unknown) ✓
Africa
Azores
Canada
Bermuda
Mexico

The reason for Anderson's travel and the nature or extent of his activities in these countries is unknown to the source. Because of prior European travel, source stated Anderson has friends and acquaintances in all or most of the countries named.

// Anderson makes Germany a "base of operations" and from various points within this country makes short trips to other cities and countries. Source stated that Anderson normally remains four or five days in any one city. //

On October 12, 1961, CG T-3 advised that Anderson departed Chicago on Sunday, October 8, 1961, for the East Coast en route to Europe and was reportedly travelling to Portugal on business. Source stated that Anderson and others

AMERICAN NAZI PARTY
PAUL GEORGE ANDERSON

are allegedly concerned in certain transactions with the Portuguese Government to establish an office in Chicago, Illinois, representing Portugal.

Source stated that according to available information, Portugal feels they are in need of representation in the United States in the field of public relations. Anderson has been reportedly in correspondence with an official of the Portuguese Government regarding the establishing of a public relations office in Chicago.

Apparently, source stated, Anderson or one of his associates has sold someone in Portugal a "bill of goods" as to their connections in the Chicago area or to their potential for enhancing the position of Portugal with people of the United States in Chicago. Source stated that he was approached by Anderson to join him as a legal representative in these transactions. He explained that such an offer was made since Anderson knew that he, source, was to be in Europe at approximately the same time on other matters. Source stated that Anderson and his associates during the infrequent contacts he has had with them continued to proclaim the advantages of their so-called organization and persists in explaining to him the vast plans they have for enlarging this organization in the United States. Source stated that he has yet to see evidence that the claims of these men are in fact true or at least partly true. He related that he is of the opinion that the "organization" is basically composed of Paul Anderson, and one or perhaps two others.

The following is a physical description of Paul Anderson as determined from information furnished by CG T-3:

Race	White
Sex	Male
Date of Birth	April 11, 1936
Place of Birth	Chicago, Illinois
Height	6'
Weight	145 pounds
Hair	Blond, wavy, crinkly
Eyes	Blue
Marital Status	Single
Characteristics	Wears dark shell-rimmed glasses

AMERICAN NAZI PARTY
PAUL GEORGE ANDERSON

CG T-3 advised on January 15, 1960, that Paul George Anderson reportedly is "the head man" in the reactivation of an organization in Chicago, Illinois, which is called the "Institute for Bio-Politics." The source described this organization as anti-Semitic and anti-Negro in character and said that there is little doubt in the mind of the source that the men in control of the Institute for Bio-Politics feel that the Negro and the Jew must ultimately be done away with in some fashion. The movement, the source stated, is not international, but because of alleged close ties maintained with leaders of similar organizations abroad, it is not restricted to activity in the United States.

On October 11, 1960, CG T-3 advised that contacts with individuals reportedly in this organization since January, 1960, have caused him to doubt the reliability of many statements made to him concerning the character of the organization. Source stated, however, that Paul George Anderson, Chicago, Illinois, reportedly the "head man" of the organization, is currently abroad having travelled extensively in Europe for the past approximately 90 days. Source stated that due to the foreign travel of the "head man" he is reluctant at this point to change his statements "for the record" until he has had an opportunity to examine the activity of the organization following Anderson's return. However, source stated, it should be noted for the time being that certain indications show the possibility that the organization is more "paper" than anything else, and may well be a figment of the imagination of only a few people in the Chicago area.

CG T-3 advised on April 5, 1962, that he had just learned that Paul George Anderson had returned from his recent European trip and was again residing in Chicago, Illinois. To the best of source's knowledge, Anderson returned to Chicago in early March, 1962.

Source stated that Anderson previously claimed his intended purpose for travelling to Europe was to visit Portugal on business, in that he, Anderson, and others, are allegedly concerned in certain transactions with the Portugal government to establish a public relations office in Chicago, Illinois, representing that country.

AMERICAN NAZI PARTY
PAUL GEORGE ANDERSON

Anderson has advised that he received a good reception from "the Portuguese government", however, the idea proposed by him was turned down reportedly at the instigation of the Portuguese Ambassador to the United States. The Ambassador apparently looked into his background and found him "too radical," Anderson theorized.

This source stated that Anderson has advised he will continue to induce the Portugal government to invest money in the proposed public relations office in Chicago. If Portugal refuses, source continued, Anderson intends to capitalize on the "poor press" Portugal has received in recent months from such things as Goa, etc.

Anderson claims to have "lined up" George Lincoln Rockwell, National Commander of the American Nazi Party (ANP) and should Portugal continue to decline their investment in the public relations firm, they, apparently meaning Anderson and Rockwell, will throw the full support of Rockwell and his ANP behind Portugal. Source claims apparently Anderson considers this sufficient pressure, considering the bad publicity that would result from such support, to induce Portugal to accept the idea.

Source added that Anderson claims the Vice President in Charge of Foreign Banking, First National Bank of Chicago, has been looking into his, Anderson's background.

Regarding Anderson's recent trip abroad, source stated Anderson claims to have visited his "usual stops" but did not elaborate as to specific countries.

Anderson states he intends to leave the United States again for Europe in approximately two months. His plans in this connection were not discussed, source stated.

Source advised that since Anderson's return he has been unemployed and apparently does not intend to seek employment in view of his proposed trip to Europe.

The source advised that he has no way to evaluate the information furnished to him by Anderson. Source stated that Anderson is noted for his tendency to embellish his activities as well as to report on occasion certain activities which are pure fabrication.

AMERICAN NAZI PARTY
PAUL GEORGE ANDERSON

Paul George Anderson was last issued Passport D-611511, at Chicago, on February 7, 1963, for proposed travel for four months or more to Hungary, Austria, Switzerland, Portugal, Germany, Holland, Spain, Morocco, France, Bulgaria, Iceland, Belgium, and Czechoslovakia, for business and pleasure. In application dated January 31, 1963, at Chicago, he stated intention to depart about February (1963) from New York City, via Iberian or Icelandic Airlines, not by organized tour. He stated he had made two trips abroad within past year and expected to travel abroad again within year. This passport was valid for three years' travel to all countries except Albania, Cuba, and those portions of China, Korea, and Viet-Nam under communist control.

Anderson gave permanent residence as 5 North Wabash Avenue, Chicago, care of Anderson Company. He indicated he had never been married. In event of death or accident, he requested that Mrs. Adele J. Anderson, his mother, be notified at 4300 North Lake Shore Drive, Chicago. In connection with obtaining new passport, he filed sworn affidavit January 31, 1963, at Chicago, that he was unable to locate his previous passport. In applying for new passport, he requested he be issued 48-page passport (type issued to those who travel extensively), stating his previous passport and its extended pages were completely covered with travel control stamps.

Noted under current passport regulations, Anderson may use this passport for lawful travel within period of its validity whenever and as often as desired, without notification to Department of State or other government agency.

It is noted that on August 8, 1961, details concerning Anderson's alleged plans to kill the President of the United States were furnished to [redacted] United States Secret Service, Chicago, Illinois.

APPENDIX

AMERICAN NAZI PARTY OF THE WORLD UNION OF
FREE ENTERPRISE NATIONAL SOCIALISTS, ALSO
KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time the World," copyrighted in 1961, GEORGE LINCOLN ROCKWELL identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leaders," a Richmond, Virginia, daily newspaper, reported that GEORGE LINCOLN ROCKWELL had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that ROCKWELL's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963, a source advised that the ANP-WUFENS was organized by GEORGE LINCOLN ROCKWELL at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that ROCKWELL is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

On December 13, 1963, this source advised that in about September, 1960, the ANP initiated the Fighting American Nationalists (FAN) as a front group for the ANP although it has never been a separate organization. He said the FAN name is merely used on occasion instead of the ANP name and there are no separate officials for FAN, the FAN officials being identical with the ANP officials. He stated that GEORGE LINCOLN ROCKWELL has informed him the FAN name was originally used as a device to attract supporters to his organization who might rebel at the use of the swastika and at being labeled as a Nazi.

He added that the ANP has operated under the FAN name throughout the country with the exception of a group operating under the FAN name in Baltimore, Maryland. He said the FAN group in Baltimore is now, and always has been, a separate organization and not a part of the ANP.

On October 3, 1963, RICHARD BERRY NORTON, the admitted former director of the FAN group in Baltimore, Maryland, advised that the Baltimore FAN, which was organized in the Spring of 1961, has no official connection with the ANP although until December, 1962, it received all of its literature from GEORGE LINCOLN ROCKWELL's ANP.

APPENDIX

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses;" second, "the dissemination of our program and the truth about the Party;" third, "organizing the people who have been converted to our propaganda;" and fourth, "that attainment of power through the votes of the newly-won masses."

PAUL GEORGE ANDERSON was designated as a potential bomb suspect in 1960 in view of his close association with EUSTACE CLARENCE MULLINS, MAYNARD ORLANDO NELSON, and [redacted] who were potential bomb suspects of the Chicago Division in 1960.

b6
b7C

Subsequent to 1960 there has been relatively little information indicating ANDERSON maintained a close association with the above individuals; although, as late as February, 1964, ANDERSON was referred to as a friend of NELSON when he and NELSON were reported in attendance at a meeting, reportedly comprising representatives of right wing organizations in Chicago, held in Chicago in January, 1964. ANDERSON's file reflects he has spent considerable time traveling in Europe, including several Communist Block countries since 1960, thereby limiting his association and activities with the above individuals.

ANDERSON is being deleted from the Chicago potential bomb suspect list as his recent activities and his degree of association with the above individuals does not warrant his continued inclusion. ANDERSON's file does not reflect information indicating he has used or is familiar with the use of explosives; he is not included in the Identification Division's single fingerprint explosive file.

No further investigation regarding ANDERSON is to be conducted at this time; this matter is being placed in closed status at Chicago.

Q: Is your wife employed at the present time.

A: Yes.

Q: What is your occupation.

A: I am an importer of old maps and books and publications.

My partner in the United States is [redacted] of Mundelein, Illinois - Marketing Counsel and Contracts Product Development and Promotions - R2 Winchester Road. My articles have been published in the United States in periodicals such as the THUNDERBOLT published in Alabama and the TRUTH SEEKER, originally published in New York and a few months ago moved to San Diego, California. Q: Do you have anything else you would care to add to this statement.

A. No.

The purpose of ANDERSON's visit on October 19, 1964, and his following visit on October 20, 1964, was to request a waiver of Section 243 (g) of the Immigration and Nationality Act to enable his Hungarian wife to apply for an immigrant visa at the American Legation in Budapest.

The Immigration Officer at Vienna disapproved ANDERSON's waiver request and his file was forwarded to the Immigration and Naturalization Service in Washington, D.C. for review.

ANDERSON informed the Immigration and Naturalization Service in Vienna that he was proceeding at once to Switzerland, from there to Spain and Portugal, and thence to the United States. His mailing address in the United States is 5 North Wabash Avenue, Chicago, Illinois.

SUBJECT: PAUL GEORGE ANDERSON
SM - X

ANDERSON has been the Subject of Security investigations because of his violent anti-Jewish, anti-Negro, and anti-Catholic views, which he has openly expressed, both in the United States and in his travels abroad, which include excursions into some Soviet block countries. ANDERSON was at one time carried as a Potential Bomb suspect of the Chicago Office.

During his most recent trip abroad, January, 1964 through November, 1964, he was married and attempted to obtain from the USDS clearance to bring back to the U.S. his Hungarian born wife. During one interview with officials of the USDS, Embassy, Prague, Czechoslovakia, he recounted his experiences with regard to being contacted by the East Germans for espionage purposes in behalf of the East German government.

Also during one of the interviews ANDERSON was quizzed as to his occupation; he replied as follows:

"I am an importer of old maps and books and publications. My partner in the United States is Mr. Herman R. Van Velzer of Mundelein, Illinois - Marketing Counsel and Contracts Product Development and Promotions - R2 Winchester Road....."

ANDERSON advised he received approximately \$5,000 a year in salary; he noted, ~~however~~, that he has not paid any U.S. Income Tax for the past several years on his income, because his actual earnings in the U.S. do not exceed \$600.00 p.a.

by ANDERSON. Both men indicated, however, that unless lot

necessarily be made. The possibility also exists that
ANDERSON imports directly to customers in the U.S., in
various cities, in which case the existence of records
becomes even more remote.

left no forwarding address. He did state to [redacted]

This same date Agent [redacted] advised SA [redacted]
that ANDERSON was now residing at 4300 North Marine Drive,
Chicago. It is to be noted that this is the residence

used this address, as well as 5 North Wabash, his father's

The Chicago Office indices reflect no references
for HERMAN R. VAN VELZER; however, ^{there was} a reference for
Mrs. H. VAN VELZER, 100-0-88534. This serial consists
of a clipping from the "Chicago American," page 11, col.2,
and it is a letter to the editor from Mrs. H. VAN VELZER,
Mundelien, relative to the teaching of communism in public
schools. Her theme was that it would be dangerous to
teach youngsters communism, unless they are first taught
their own "historical heritage." Further, she stated that
communism "must be exposed for what it is." "Why should
communism be taught while study of religion - religious
history is prohibited."

PAUL GEORGE ANDERSON
SECURITY MATTER - X

Reference is made to memorandum dated February 26, 1965.

On April 21, 1965, Mr. Herman B. Van Volzer, doing business as Marketing Counsel and Contacts, Product Development and Promotions (312 LO 6-0126), Route 2, Winchester Road, Mundelein, Illinois, advised he became acquainted with Anderson during the latter part of 1963. Anderson contacted Van Volzer at the suggestion of his grandfather, who was an acquaintance of Van Volzer through the Rotary Club. Anderson's contact with Van Volzer was for the purpose of securing Van Volzer's assistance in marketing and promoting old maps, books and publications acquired in Europe. Van Volzer attempted to help Anderson, and he made some personal inquiries and some letter inquiries in Anderson's behalf. His primary contact was the Van Anstel Company, 2311 Stella Road, Culver City, California.

Van Volzer was to correspond with Anderson through Wilhelm Lundig, Favoritenhauser 26, Wien IV, Austria. Correspondence from Vienna to Van Volzer bore letterhead of "Editio totius Mundi, Wien IX, Gusserbauergasse 5/6, Austria."

Van Volzer advised he found he would have to expend too much time and realize little, if any, remuneration in pursuing this venture with Anderson; therefore, he advised Anderson he had done all he could in his behalf, and their business association was terminated in early 1964.

Van Volzer advised he had no information relative to any other activities of Anderson. He advised he had only one personal contact with Anderson. The occasion was to discuss business, and the meeting was held in the lobby of the hotel where Anderson was residing, 203 East Junior Terrace, Chicago, Illinois. Van Volzer stated he thought it strange

that Anderson did not invite him to his room. Anderson, when contacted on the house phone, was adamant in meeting in the lobby rather than his room.

Van Velzer stated that during his brief business encounter with Anderson they would have been considered business partners. He further stated that, since he advised Anderson he could not aid him in his business anymore, he has not had any further contact with him.

On April 22, 1965, Mr. Maurice Anderson, 3 North Wabash, Chicago, subject's father, advised his son had gone to Europe; his son was to have contacted him before he left. Anderson claimed his son made no contact with him, and he has had no correspondence from his son. Anderson said his son most probably was in Vienna, Austria. He stated he had no idea as to the date his son would return to Chicago. Anderson advised that his son did not reside with him at all during his stays in Chicago; on most occasions he would reside with his mother at 4300 North Marine Drive, Chicago. Anderson further stated that his son's maternal grandfather had died recently, and he indicated this may have some bearing as to where his son would reside when he returned to Chicago. (It is noted that subject's grandfather also resided at 4300 North Marine Drive.)

PAUL GEORGE ANDERSON

T-1, a U.S. Government agency with branches abroad,
has informed as follows:

On March 9, 1965, PAUL GEORGE ANDERSON was in
Budapest, Hungary. He claimed that he had attended the
Leipzig Fair in East Germany, where he had had access to the
diplomatic box. He praised the East German governmental
regime with its tight police control, but indicated that he
did not approve of the economic policy there.

ANDERSON stated that he advocated assassination as
an appropriate political tool if events warranted it.

Up to the present it has been impossible for
ANDERSON's Hungarian wife to get a visa to the U.S. since
the U.S. will not issue her a visa in Hungary and the
Hungarians will not issue her an exit visa without a visa
to the U.S.

b7D

Also enclosed are 5 copies of a letterhead memorandum dated 8/23/65. One copy is enclosed for Bonn and 3 copies for Paris. The source in the memorandum is the AFSP.

Request the enclosed foreign language material be translated verbatim. Furnish copies of the translation to Bern, Bonn and Paris. Original translation and German language material should be retained at the Bureau.

Protocol

Concerning: Paul George Anderson, partner in a firm, born on April 11, 1936, in Chicago, an American citizen, O.R.D. (sic; possible meaning: without a regular profession), married, parents: Mauricio and Adelo, residing in Chicago, 5 North Wabash Avenue, at this time in Wien (Vienna) 6, Hillockergasse 6, Hotel Weisses Kreuz (meaning: White Cross) and registered with the police.

Questioned about the case, he stated as follows:

I grew up in Chicago as the only son of my parents. My father is a dealer in precious metals and an art dealer and owner of the firm of Anderson Gold Company in Chicago. At this time the firm of my father employs 1 female employee.

I attended eight grades of the elementary school and subsequently went to Bern in Switzerland where I attended a college and lived in a hotel. In 1952, I returned to Chicago and worked with friends in the advertising field. Since 1955, I have been a partner of the firm named M. & N. Associates which handles employment matters, public relations, etc. I earn about \$5000 per year.

I was about 50 times in Austria. The reason of my stay has always been of a business nature. Mostly I have been in transit. I purchase in Austria special merchandise and take the same ----- (sic) You did not understand me right (sic). I do not only travel to Austria for business reasons, but also for private reasons; that is to say, I visit my friends in the USSR and Hungary and I always visit the fairs in Budapest, Leipzig, Drumn and have in Austria various business contacts with Austrian firms through which I export merchandise into the U.S.A.

I met my wife in a bar in Budapest and married her in Budapest in 1964. At the occasion of the marriage my wife kept Hungarian citizenship. It was planned that my wife should emigrate to my place in the U.S.A. However, the proper immigration formalities have not been concluded as yet. She was to wait for a decision in Budapest and I was very much astonished when she appeared here in Vienna one day. She informed me and I met her here about two days ago. Since our marriage, my wife has become a burden to me. She demands very much and believes I should place a comfortable apartment and a beautiful car at her disposal at once, etc. For these reasons I have moved away from her somewhat.

If my wife maintains that I was the leader of the Neo-Nazis and it would be easy for me to cause a person to disappear and that I could also cause her disappear, I emphatically deny ever having made such assertions. Likewise, I deny emphatically ever having insulted the Jews or Negroes. Besides, I would never discuss politics with my wife because she is much too primitive in this respect. She has lied and it is also untrue that she is [redacted]

b6
b7C

Here in Austria I have never been politically active. I admit that I know the leader of the American National Socialists personally. I do not deny that I am not a friend of the Jews, although some Jews are very good friends of mine. I know Wilhelm Landig very well and have been a good friend of his for several years and I also have a business contact with him. Formerly and, if you want, also now I have represented the periodical "Europa-korrespondenz" ("Europe Correspondence") in the U.S.A. and I am trying to make this periodical available to a large circle of persons in America. I organized for him in the U.S.A. the distribution of this periodical, Oscar Wyclif Harmon, One North LaSalle Street, Chicago 2, telephone: Fr 2 6054 (sic). When I came to Austria about ten years ago (it was still before the revolt in Hungary), I visited Landig in his apartment in the Favoritenstrasse 56 and have been a friend of his since then. I received his address from a friend, who gave me a letter of recommendation to Landig. Through Landig I became acquainted with Wien (Vienna). Before that time I had no acquaintances here in Wien. I have never been engaged in politics with Landig although our political and ideological views coincide. I have never been a member of a National Socialist party, neither in Austria and Germany, nor in the U.S.A. I am not a supporter of this doctrine, but I am not a foe of the National Socialists. I am politically independent and have interest in all political doctrines. My personal thoughts are my private affair. Landig, according to my knowledge, has never distributed Nazi thoughts or tried to convert me.

At my meeting with my wife in Wien, she asked me to pay her monthly 5000 schillings so that she could pay for her livelihood here. I was not enthused about this demand and, in any event, the amount appeared to me much too high. Well, she came to Austria without asking me, although she was earning money in Budapest in the bar. I rejected this request, but would have been willing to give her smaller amounts of about 1000 schillings more frequently, because I feared that she would have spent 5000 schillings in a short period of time for clothing, shoes, etc. I also wanted her to sign a receipt for the amount.

of 1000 schillings. However, she did not consent and refused to sign. Therefore, I did not give her any money at all. I assume that she is now mad at me for this reason and filed a complaint against me with the police.

I do not believe that my wife was working for an intelligence service. She is not very intelligent for such work.

Furthermore, I state that I can speak with my wife only in French, a language which I have not mastered. Also my wife speaks a defective French. Possibly this is the reason for different misunderstandings. I only understand a few words of Hungarian and cannot make myself understood at all in this language. I met [redacted] through my wife. Apparently, she is very well acquainted with him. When we were today, on July 30, 1935, at his place of business (he has a business dealing in porcelain ware) a Pole appeared, apparently an acquaintance of Gyertyas, who was to aid us in the purchase of a raincoat. This man witnessed that I later said good-bye to my wife on the street and he can attest that I left my wife amicably. My wife did not make the impression as if she were afraid of me as this should have been the case after a dangerous threat. In this connection I again emphatically deny having told my wife that I could cause her to disappear.

b6
b7C

In order not to be misunderstood, I wish to state that I am not an absolute friend of the Jews, but I am also not an enemy of the Jews; likewise, I am not an enemy of the communists and neither a friend of the communists.

22:35 o'clock

After confrontation with my wife he stated:

Recently my wife repeated to me the accusations in the French language made in her complaint which I have well understood. In this connection I state that I neither told her that the Jews and the Negroes should be burned, nor that I ever told her I could cause her to disappear and I have never maintained to be the leader of the Neo-Nazis. Her assertions are invented and false.

The credibility of my wife, in my opinion, is shaken by the fact that she stated as her profession: [redacted]

[redacted] When I met her in Budapest she demanded on the first day of our [redacted]

[redacted] During [redacted] our acquaintanceship [redacted]

[redacted] She was questioned several times in Budapest by the police and there is the possibility that she has previous convictions. I cannot say anything about her dealings with the police. The matter concerned at one time smuggling or a customs matter, because she had received gold from an Italian, etc. I cannot say anything concrete in this matter. I have heard this partly from her and partly from acquaintances in Budapest.

I should like to state that I have no previous convictions, that I was never fingerprinted in any country and also not in the U.S.A.

I intend to leave tomorrow, on July 31, 1965, at 10 o'clock, from Wien-Westbahnhof for Hungary (Budapest). I shall remain six days in Budapest and subsequently return to Wien. Then I intend to go to the German Democratic Republic and from there I shall return to Wien. Subsequently, I shall travel to Prague and then visit the Leipzig Fair. Then I shall return to Wien. This is my present program for the near future.

PAUL GEORGE ANDERSON

Reference is made to Chicago memorandum dated April 26, 1965.

CG T-1 advised on November 12, 1965, that Paul George Anderson had returned to Chicago from Europe approximately one week ago and was residing with his mother at 4300 North Marine Drive, Chicago, Illinois.

During 1965, Anderson travelled in Europe. The following information pertains to his travels and also concerns certain miscellaneous information regarding Anderson:

On June 1, 1965, CG T-2, a United States Government agency with branches abroad, reported that as of March 9, 1965, Anderson was in Budapest, Hungary. Anderson was in contact with individuals in Budapest and claimed that he had been to the Leipzig Fair in East Germany where he had access to the diplomatic box. He reportedly praised the East German Governmental Regime with its tight police control, but he indicated he did not approve of the economic policy in East Germany. Anderson reportedly stated at this time that he advocated assassination as an appropriate political tool if events warranted it.

It was learned at this time that Anderson's Hungarian wife had been unable to get a visa to the United States.

On June 1, 1965, CG T-2^{JK} advised that Paul Anderson visited the American Embassy, Budapest, Hungary, on or about March 10, 1965. During his visit Anderson reportedly engaged in a "monologue" with American Embassy officials, [redacted] who jointly issued a signed statement of their recollection of Anderson's remarks. Their recollection of Anderson's remarks is as follows:

b6
b7C

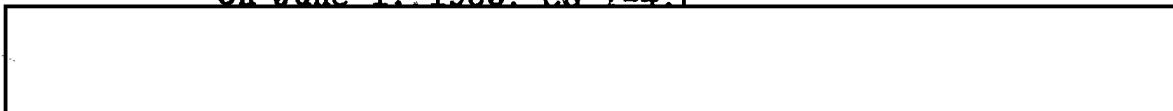

"Anderson stated that he was completely in favor of assassination as a political weapon. He said that the most effective way of dealing with political opponents is to knock on their doors and 'shoot them in the face' when they answer. Anderson said that this would also be a better way of eliminating unwanted Jews and unfriendly groups than holding mass executions. When asked whether he personally would be capable of performing such an assassination, Anderson replied that he believed he would, and that the Secret Service must also believe so, because they checked on his whereabouts within a half hour after the attack on President Kennedy. He added that he was not in favor of that particular assassination.

"Anderson commented that in a few years he either will be in a position of political power or will have been killed in the struggle between his side and their opponents."

On July 30, 1965, CG T-3¹⁸ reported that Anderson arrived in Austria from Hungary on July 26, 1965. It was indicated that Anderson had planned to return to Budapest, Hungary, on the morning of July 31, 1965, and that he planned to remain there for six days, thereafter, returning to Vienna. From Vienna he planned a trip into the "so called German Democratic Republic" and Prague, Czechoslovakia. His travel was to include a visit to the Leipzig Fair and he indicated that he would finally return to Vienna.

CG T-3¹⁹ continued and furnished the following concerning Anderson's background:

Anderson advised that since 1955 he had been a partner in the M and N Associates, which handled employment matters, public relations and so forth, and that he earns approximately \$5,000 per year. Anderson claimed to have been formerly a representative for a periodical known as "Europa-Korrespondenz" (Europe Correspondence) in the United States of America. As a representative of this periodical he tried to make it available to a large circle of persons in the United States. In regard to distribution of the aforementioned periodical, Anderson mentioned the name of [redacted] 1 North La Salle, Chicago, Illinois.

b6
b7C

Anderson advised that he was not, and had not ever been, a member of the National Socialist Party in Austria, Germany, or in the United States. However, he added he was not a foe of the National Socialist Party.

Anderson claimed his closest friend in Vienna was one Wilhelm Landig, whom Anderson described as having

On [redacted] Illinois, Commander of the American Nazi Party (ANP) advised a Special Agent of the Federal Bureau of Investigation (FBI), Chicago, that [redacted] Chicago, was a supporter of the ANP, Chicago Branch.

A characterization of the ANP is to be found in the appendix section of this memorandum.

Wilhelm Landig is known to CG T-3 as a result of his "right extremist activities". He is an Austrian citizen born December 20, 1909, Vienna, Austria.

On August 12, 1965, CG T-6, a United States Government agency with branches abroad, advised that it was learned on August 6, 1965, that Anderson had contacted the United States Immigration and Naturalization Service (INS), Vienna, Austria, and had at that time requested information regarding the procedure for withdrawing his visa petition for his wife since she contemplated divorce. It was learned that on [redacted] visited the United States INS Office, Vienna. She reportedly advised INS that she had endeavored to obtain subsistence money from Anderson during a meeting with him in July, 1965. He refused to comply with her wishes. When [redacted] attempted to find out Anderson's employment, he told her that he was the head of a Neo-Nazi movement in the United States. According to [redacted] her husband made a verbal threat to harm her and she expressed fear of Anderson because of this threat.

AMERICAN NAZI PARTY,
CHICAGO, ILLINOIS

A source advised on November 14, 1960, that on that date a meeting was held in Chicago, Illinois, for the purpose of organizing a Chicago unit of the American Nazi Party (ANP) which maintains headquarters in Arlington, Virginia. GEORGE LINCOLN ROCKWELL, National Commander, ANP, took charge of this meeting.

On May 22, 1962, MATTHIAS KOEHL, self-identified as lieutenant, ANP, Chicago, advised that the ANP in Chicago is to a degree autonomous although it remains subject to the final authority of GEORGE LINCOLN ROCKWELL and ANP National Headquarters.

A second source advised on October 8, 1964, that the Chicago branch of the American Nazi Party is currently located at 1314 West Ohio Street, Chicago, Illinois.

A characterization of the national organization follows.

APPENDIX

AMERICAN NAZI PARTY OF THE WORLD UNION
OF FREE ENTERPRISE NATIONAL SOCIALISTS,
ALSO KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time The World," copyrighted in 1961, GEORGE LINCOLN ROCKWELL identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leader," a Richmond, Virginia, daily newspaper, reported that GEORGE LINCOLN ROCKWELL had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that ROCKWELL's Party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964, a source advised that the ANP - WUFENS was organized by GEORGE LINCOLN ROCKWELL at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by ADOLF HITLER. He added that ROCKWELL is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and fourth, "the attainment of power through the votes of the newly-won masses."

On September 16, 1965, the source advised that GEORGE LINCOLN ROCKWELL believes he has completed the first three phases in his struggle for power and is now into the fourth stage, to wit, the "attainment of power through the votes of the newly-won masses." The source stated ROCKWELL believes this because of his success in gaining a place on the ticket in the November, 1965, gubernatorial election in the State of Virginia.

(OO: CHICAGO)

The files of the Chicago Office reflect that Chicago File 105-2363 captioned, "PAUL GEORGE ANDERSON; IS - X" pertains to PAUL GEORGE ANDERSON, date of birth April 11, 1936, at Chicago, Illinois. The file reflects that PAUL GEORGE ANDERSON is the son of MAURICE ANDERSON and ADELE OLSEN and is reported to be a neo-Nazi, extremely anti-Semitic and has bragged about his association with communists and fascists in Europe. PAUL GEORGE ANDERSON has claimed (1955) to be a member of the National Renaissance Party. ANDERSON was in contact with the Soviet Embassy, Washington, D. C. on April 25, 1955. ANDERSON also spent considerable time at the offices of "We, the Mothers Mobilize For America, Inc.". Source stated ANDERSON claimed to be opposed to communism but admitted the Nazi type of government appeals to him. ANDERSON was considered a conference participant of the "Lightfoot Defense Committee" (1956). PAUL GEORGE ANDERSON had U. S. Passport at various times and was reported to have travelled in Soviet Bloc countries. ANDERSON was in East Berlin in October, 1960. On August 7, 1961, a source advised ANDERSON said he was saving to buy a gun to kill President KENNEDY. Files reflect that PAUL GEORGE ANDERSON was claimed unfit for military service due to sexual perversion.

In view of the above information it is recommended that no interview be conducted of MAURICE CLARENCE ANDERSON. It is believed that an interview of MAURICE CLARENCE ANDERSON would not be productive and could possibly be a source of embarrassment to the Bureau in view of the past activities of his son PAUL GEORGE ANDERSON.

On August 8, 1961, an officer of the Chicago Police Department advised the Chicago Office of the FBI that he had learned from a confidential source that on August 7, 1961, PAUL GEORGE ANDERSON had attempted to convert another individual to the philosophy of the Institute for Bio-Politics, an organization purported to be an extreme anti-Semitic and anti-Negro group. The source accompanied ANDERSON to a social function via public transportation; ANDERSON explained to the source that he was using the public transportation because "he was saving his money to buy a gun to shoot President KENNEDY."

Subsequent to the above incident, ANDERSON while travelling in Europe has made statements to American nationals and nationals of other countries which were extremely anti-Semitic, anti-Negro and anti-religion. Some of his conversations included statements which were highly critical of the United States Government and United States officials.

On June 1, 1965, a United States Government agency with branches abroad reported that ANDERSON had informed two employees of the American Embassy, Budapest, Hungary, that "he was completely in favor of assassination as a political weapon." Further he stated that he believed he would be personally capable of performing such assassinations.

In view of the above, it is believed that ANDERSON represents a dangerous individual capable of committing acts inimical to the national defense and/or public safety of the United States in the time of national emergency.

2. Chicago will take appropriate action on Bureau reply to Chicago recommendation to include ANDERSON on the Security Index, Chicago.

ADMINISTRATIVE

A copy of this report is being furnished to Secret Service in view of their previous interest in this subject.

A copy of this report is being furnished to Region I, 113th INTC Group, Chicago, in view of subject's connection with "hate type groups."

A suitable current photograph of ANDERSON is available at Chicago.

A separate communication is being submitted to the Bureau recommending ANDERSON be included on the Security Index, Chicago Office.

The attached report is being classified "secret" because information received from United States Government agencies abroad via the Bureau was classified "confidential" and "secret."

For the information of the Bureau, ANDERSON was deleted from the Chicago potential bombing suspect list by letter dated May 28, 1964. ANDERSON was initially included on the above list in view of his close association with EUSTACE CLARENCE MULLINS, MAYNARD ORLANDO NELSON, and MATTHAIS KOEHL, Jr., who were potential bombing suspects of the Chicago Division in 1960. Only NELSON continues to be included on this list at the present time. ANDERSON's degree of association with NELSON and the other individuals was considerably curtailed due to ANDERSON's extensive European travel, and this was the basis for his removal from the potential bombing suspects list.

On January 25, 1966, [redacted] Monterey Hotel, 808 West Junior Terrace, Chicago, advised that ANDERSON was not registered at the above hotel. She advised her records show that ANDERSON was last a resident of the hotel from December 14, 1964, through January 6, 1965.

b6

On January 27, 1966, [redacted] mentioned above, advised he had learned that ANDERSON was in Chicago and had visited his mother's apartment during the evening hours of January 26, 1966.

On February 1, 1966, inquiry was made at the apartments located at 25 East Chestnut, Chicago, Illinois. It is noted that MAURICE CLARENCE ANDERSON, subject's father, is listed as a resident of this apartment. [redacted] of the above apartments, advised that Mr. ANDERSON resided alone in a studio apartment in the above building. She further advised that she was not aware that Mr. ANDERSON had a son, and that his application reflected his next of kin to be a brother who is a resident of Chicago. and that the hotel personnel would be aware of any other individuals who might be living in with ANDERSON, if this should be the case.

On February 1, 1966, [redacted] Supervising Passport Agent, United States Department of State, Passport Agency, Chicago, Illinois, advised that ANDERSON had applied for a renewal of his passport privileges on January 13, 1966. At this time ANDERSON gave as a residence address 5 North Wabash, Chicago, Illinois. (The address 5 North Wabash is a business building, downtown Chicago, Illinois. ANDERSON's father, MAURICE ANDERSON, leases space in this building under the name of Maurice C. Anderson Gold Company, telephone number RA 6-1600, per current Chicago street address directory.) b6 b7C

Previous Residences

It was learned on November 12, 1965, that PAUL GEORGE ANDERSON had returned from Europe approximately one week previous and was residing with his mother at 4300 North Marine Drive, Chicago, Illinois.

(CG T-1, 11/12/65)

On April 22, 1965, Mr. MAURICE C. ANDERSON, 5 North Wabash, Chicago, subject's father, advised his son had gone to Europe; his son was to have contacted him before he left. ANDERSON claimed his son made no contact with him, and he has had no correspondence from his son. ANDERSON said his son most probably was in Vienna, Austria. He stated he had no idea as to the date his son would return to Chicago. ANDERSON advised that his son did not reside with him at all during his stays in Chicago; on most occasions he would reside with his mother at 4300 North Marine Drive, Chicago. ANDERSON further stated that his son's maternal grandfather had died recently, and he indicated this may have some bearing as to where his son would reside when he returned to Chicago. (It is noted that subject's grandfather also resided at 4300 North Marine Drive.)

Information Regarding
ANDERSON's Employment Status

On April 21, 1965, Mr. HERMAN B. VAN VELZER, doing business as Marketing Counsel and Contacts, Product Development and Promotions (312 LO 6-0186), Route 2, Winchester Road, Mundelein, Illinois, advised he became acquainted with ANDERSON during the latter part of 1963. ANDERSON contacted VAN VELZER at the suggestion of his grandfather, who was an acquaintance of VAN VELZER through the Rotary Club. ANDERSON's contact with VAN VELZER was for the purpose of securing VAN VELZER's assistance in marketing and promoting old maps, books and publications acquired in Europe. VAN VELZER attempted to help ANDERSON, and he made some personal inquiries and some letter inquiries in ANDERSON's behalf. His primary contact was the Van Amstel Company, 8511 Stella Road, Culver City, California.

~~SECRET~~

~~SECRET~~

CG 105-2363

VAN VELZER was to correspond with ANDERSON through WILHELM LUNDIG, Favoritenhausser 56, Wien IV, Austria. Correspondence from Vienna to VAN VELZER bore letterhead of "Edito totius Mundi, Wien IX, Gassenbauergasse 5/9, Austria."

VAN VELZER advised he found he would have to expend too much time and realize little, if any, remuneration in pursuing this venture with ANDERSON; therefore, he advised ANDERSON he had done all he could in his behalf, and their business association was terminated in early 1964.

VAN VELZER advised he had no information relative to any other activities of ANDERSON. He advised he had only one personal contact with ANDERSON. The occasion was to discuss business, and the meeting was held in the lobby of the hotel where ANDERSON was residing, 808 West Junior Terrace, Chicago, Illinois. VAN VELZER stated he thought it strange that ANDERSON did not invite him to his room. ANDERSON, when contacted on the house phone, was adamant in meeting in the lobby rather than his room.

VAN VELZER stated that during his brief business encounter with ANDERSON they would have been considered business partners. He further stated that, since he advised ANDERSON he could not aid him in his business any more, he has not had any further contact with him.

PAUL GEORGE ANDERSON appeared at the Vienna, Austria, office of the United States Immigration and Naturalization Service on October 19, 1964, at which time he executed a signed sworn statement as a preliminary step in obtaining a waiver which would allow him to bring his Hungarian wife into the United States. One of the questions directed to ANDERSON and contained in the above statement concerned his employment status, and he advised as follows in regard to the question regarding his employment:

"Q. What is your occupation.

A. I am an importer of old maps and books and publications. My partner in the United States is Mr. Herman R. Van Velzer of Mundelein, Illinois - Marketing Counsel and Contracts Product Development and Promotions - R2 Winchester Road. I am also a writer and have written articles for publication in European periodicals as well as United States periodicals."

On September 15, 1964, [REDACTED] Passport Office, United States Department of State, Washington, D. C., furnished information regarding PAUL GEORGE ANDERSON with regard to ANDERSON's visa petition in behalf of his Hungarian wife on June 24, 1964. Among the questions directed to ANDERSON was one which concerned his employment status. It was reported that ANDERSON balked at revealing his employment and income for the past ten years; when he was told that he must show his ability to support his wife, he listed an income of \$5,000 per year from self-employment. He advised that he was the sole United States agent for the firm Editio Totius Mundi, Gussenbauerg 5, Vienna IX, which produces hand-finished reproductions of antique maps. ANDERSON claimed he received payment for his services from the Vienna firm in such a way that he can be taxed neither by the Austrian or United States government. He further advised that he has not filed an income tax return in the United States for the past ten years inasmuch as his income per annum in the United States did not amount to \$600.

II. ACTIVITIES

On October 12, 1956, CG T-2 furnished information to the American Embassy, Stockholm, Sweden, which was as follows:

CG T-2 advised that in February, 1956, while en route from Stockholm to Copenhagen via air transportation he became acquainted with an American whose name was PAUL G. ANDERSON. ANDERSON had a couple of drinks and began discussing politics with CG T-2. During the conversation which ensued ANDERSON bragged about his visas to the Soviet Union and Communist China, and reportedly he exhibited them to CG T-2. He told of being sent out on a world mission to visit various lands, primarily South America and Germany, to rally Nazi and fascist forces in these countries toward an active union with, as CG T-2 believed, certain communist groups. When ANDERSON was asked to produce proof, he displayed a suitcase filled with typical Nazi propaganda.

CG T-2 advised that ANDERSON made contact approximately two weeks later and suggested that the source make a pornographic film in Sweden with ANDERSON in the title role. Source abruptly terminated this call and had no further contact with ANDERSON.

CG 105-2363

It was learned on May 28, 1959, that PAUL ANDERSON, 4300 North Lake Shore Drive, Chicago, Illinois, was a possible contributor to an organization known as the National Renaissance Party (NRP).

(CG T-4, 5/28/59)

NRP

The NRP is an anti-Semitic, anti-Negro, neo-fascist organization founded in 1949 with activities generally confined to the New York City area. The NRP's main function is the distribution of a bulletin on a monthly basis and the distribution of pro-Arab literature obtained from official Arab establishments in New York.

(CG T-5, 4/21/59)

The Un-American Activities Committee of the United States House of Representatives, in a preliminary report dated December 17, 1954, stated "NRP activities and propaganda are clearly subversive and un-American."

On May 18, 1959, CG T-6 furnished the following information:

While in Lisbon, Spain, on May 15, 1959, while in the company of another individual he became acquainted with a white male person approximately 30 years of age who had blond hair and who was well groomed in appearance. This individual claimed to be a representative of the Institute of Bio-politics headquartered in Chicago, Illinois. This individual presented a document which identified him as a representative of this organization and the source noted only the last name of ANDERSON on this document.

Institute of Bio-politics

CG T-8 on January 15, 1960, advised that the Institute of Bio-politics is composed of a 50 member governing body although the actual membership is alleged to consist of a great many more members. According to CG T-8, the organization is anti-Semitic and anti-Negro in character, and there is little doubt in the mind of CG T-8 that the men in control feel that the Negro and Jew must be done away with in some fashion ultimately.

CG T-8 had determined that the institute is headquartered in Chicago, Illinois, and that they maintain no office, no telephone and no address other than Post Office Box 1785, Chicago 90, Illinois. PAUL GEORGE ANDERSON was alleged to be the "head man" in the Chicago area. According to the information available to CG T-8, the movement is described as not an international organization, however, the leaders claim to have close ties with similar organizations abroad.

CG T-8 stated that many things concerning the institute are completely ridiculous. He cited as an example the fact that one member of this group allegedly maintains a cake of soap on a silver tray, which is supposed to be all that remains of several Jews from Germany. CG T-8 advised that while many of the things concerning this organization seem ridiculous and border on insanity, the men involved speak of their activities in seriousness.

~~SECRET~~

~~SECRET~~

CG 105-2363

CG T-8 on January 24, 1961, advised that he had formed the opinion that the Institute of Bio-politics did not, in fact, exist except on paper.

b1

On January 28, 1966, CG T-10 advised that MAYNARD O. NELSON, 1914 West School Street, Chicago, Illinois, took out Box Number 1785 for the Realpolitical Institute. On March 23, 1960, NELSON changed the name on the box to the Institute of Bio-politics. This box is still under lease at Chicago, Illinois.

MAYNARD O. NELSON

In May of 1965 NELSON was self-described as an "intellectual Nazi." He claimed to have been working for over 20 years promulgating Nazi principles. He also was self-identified as the Illinois representative of the National States Rights Party.

A characterization of the American Nazi Party and the National States Rights Party are to be found in the appendix section of this report.

On September 24, 1959, [redacted] Chicago, Illinois, advised that she had met one PAUL ANDERSON at Grand Beach, Michigan, and that during

conversation with ANDERSON he spoke very highly of the Russian government, lauded Premier NIKITA KHRUSHCHEV, and bragged of being in trouble with the FBI in connection with the overthrow of the government. ANDERSON displayed a letter to MORIARITY which she believed stated "This is to introduce Paul Anderson, a member of the Institute of Bio-politics."

The files of the Passport Office were reviewed by SA JAMES E. REILLY, Washington, D. C., on December 17, 1959, and disclosed that PAUL GEORGE ANDERSON was issued Passport Number 1309959 on February 6, 1959, at Chicago, Illinois, for proposed two months' travel to West Europe, Africa and the Middle East for purposes of business, pleasure and education. In his application dated January 30, 1959, he stated that he intended to depart from New York about March, 1959, by Swiss Air or Icelandic Airline. He stated he was not travelling by organized tour and that he intended to make another trip abroad in the next year. This passport was valid for two years' travel to all countries except: Albania, Bulgaria, Hungary, and those portions of China, Korea and Viet Nam under communist control. Subject stated he was born on April 11, 1936, at Chicago, Illinois, and the file contains a notation that his birth certificate had been seen by passport authorities. Subject gave his permanent residence as 5 North Wabash Avenue, Chicago 2, Illinois, and his mailing address as care of M. C. Anderson Gold Company, same address. He listed his father as MAURICE ANDERSON, born June 26, 1900, at Chicago, Illinois, and who was residing at 5 North Wabash Avenue, Chicago, Illinois. He listed his mother as ADELE ANDERSON, born April 4, 1902, at Chicago, Illinois, and who resided at 4300 North Lake Shore Drive.

Subject stated he had never been married. He denied in this application past or present membership in the Communist Party.

Information was also obtained which reported that one [redacted] had complained to the American Embassy, Stockholm, in June, 1957, concerning ANDERSON. He advised that PAUL ANDERSON had been annoying his fiancée with whom ANDERSON had been previously acquainted. He advised that ANDERSON claims to be writing against religion and the use of atomic weapons and that he had placed political literature printed in Russian and Yugoslavian in his fiancée's mailbox.

b6
b7C

The files of the Passport Office contain a complaint emanating from the front office manager of the Berlin Hilton Hotel dated August 24, 1959, to the American Embassy office. This letter complained that ANDERSON in conversation with various members of the hotel staff had made statements hostile and deprecatory to the Jews, Negroes, and Christians and President EISENHOWER and Chief Justice EARL WARREN.

On January 8, 1960, a letter was received at the Bloomington Resident Agency of the Indianapolis Division of the FBI, which is set forth in part as follows:

"Rural route 8, Box 340
Bloomington, Indiana
January 6, 1960

"Federal Bureau of Investigation
219 West 4th Street
Bloomington, Indiana

"Dear Sirs,

"On the morning flight of the C.M.A. airline from Mexico City to Chicago, on December 31, 1959, I was seated next to a young man named Paul Anderson, a Chicago resident. He claims to be the travelling representative of the Institute for Bio-Politics which, I gather, has headquarters in Chicago. His passport, literally covered with visas, tends to substantiate this claim although I suspect that as the only child of a wealthy family he

bears some of his expenses. The organization to which he belongs has as its purpose the establishment of an elite fascist ruling group and the elimination of Negroes, Jews, or any other group which the organization deems 'non-white'. It would seem that the organization includes the remains of earlier organizations such as that of Gerald Smith, the Deutsche-Amerika Bund, and similar extremists. At present the Institute for Bio-Politics is attempting to loosely affiliate with the segregationist Citizens Councils of the southern states.

"While I realize this misguided organization cannot achieve its irrational goals and can exist only in the lunatic fringe, I am concerned as to its activities in fomenting local racial and religious strife. For example, Mr. Anderson often boasted of the Institute's success in causing trouble in the Deerfield housing project near Chicago, in causing friction between Europeans and U.S. negro military personnel, in creating anti-semitism, et cetera. He had the usual collection of literature and newspaper clippings to promote his cause. I anticipate that I shall receive additional material.

"All of the above is obviously known to you; in fact, Mr. Anderson stated as much. Consequently, the main purpose of this letter is to relieve my pent-up emotion. I found it extremely difficult to maintain a calm and rational attitude in order to learn more of Mr. Anderson and the Institute for Bio-Politics. Mr. Anderson interpreted my attitude as one of sympathy, or potential sympathy, for his cause despite my assertions to the contrary.

"Sincerely yours,

Professor [redacted]
Indiana University, Bloomington, Indiana, was contacted by
SA IRVIN K. OWEN on January 11, 1960. Professor [redacted] is

[redacted] stated that, in addition to the information furnished in his letter set forth above, ANDERSON was with him approximately eight hours on the plane and promised to send him some literature in the future. He described the literature as made up in two classes, one which was the mild type on an intellectual level; and two, which was much stronger and which was sent out if the person was not offended by the first type or class of literature. ANDERSON stated that the second class of literature was so strong that, if sent at first it might alienate the person to whom it was sent.

b6
b7C

[redacted] stated that he saw ANDERSON's passport which contained many visas from all major European countries including East Germany, and Iceland. ANDERSON also told him that he had visited the Scandinavian countries and South Africa. ANDERSON stated that his parents both resided in Chicago and were rather wealthy. He described his mother as a scatter-brained socialite and his father as a person who disapproved wholeheartedly of him. [redacted] stated that ANDERSON reminded him of LOEB in the LEOPOLD-LOEB case of some years ago.

b6
b7C

[redacted] described ANDERSON as follows: white, male, American, age 21-25, 5'10" to 6', 150 to 160 pounds, medium build, light brown hair, wearing horn-rimmed glasses, no marks noticeable, neat, business appearance, and characteristics - speaks German fluently.

On January 26, 1960, Professor [redacted] referred to above, advised SA IRVIN K. OWEN that he had received an envelope addressed to him from Post Office Box 1785, Chicago 90, Illinois, postmarked at Chicago January 14, 1960. This envelope contained a two page printed "Press Release" entitled "POLICE STATE TERROR ON LINCOLN AVENUE." He stated that there was no name of sender, letter, or any other correspondence in this envelope, but that he is sure that it was sent to him by PAUL ANDERSON. He stated that he had expected to receive a "racial diatribe" from the way ANDERSON had talked to him; but, instead, this letter appeared to be an outburst against the FBI, which shocked him and infuriated him even more.

On March 30, 1960, CG T-8 advised that ANDERSON intended to depart on or about April 18, 1960, on an extensive European tour. Source stated that ANDERSON intended to be gone about three months and stated that ANDERSON had indicated his trip included some business for the Institute of Bio-Politics.

It was learned in March of 1960 that PAUL GEORGE ANDERSON, born March 11, 1936, who indicated he was an American writer - journalist, planned to take a ten day tour in Poland.

"Lam" indicated to the American national that he had been having trouble with the American Embassy in Madrid, Spain, in obtaining endorsement on his passport for further travel in Europe. "Lam" wanted to sue the State Department because they would not allow him to continue his journey. "Lam" advised his organization had representatives all over Europe and that it was not a Communist organization, but was favorably received by the Communists, especially in East Germany and Hungary.

(CG T-14, 8/61)

The National Lawyers Guild is characterized in the appendix section of this report.

PAUL ANDERSON and MAX NELSON claim to operate an organization referred to as "The Institute", but also frequently refer to the National States Rights Party (NSRP) and seem to speak of both organizations interchangeably. They claim that they do not have any connection with the American Nazi Party (ANP); however, ANDERSON has privately displayed ANP literature and speaks in a manner indicating he may have ANP affiliations.

(CG T-15, 8/7/61)

A characterization of the NSRP is to be found in the appendix section of this report.

It was reported that ANDERSON stated in August, 1961, that the pamphlet entitled "Pax Americana", "the elite white man's guide book", (self-described as published by the Institute of Bio-Politics, Post Office Box 1785, Chicago 90, Illinois) is the "bible" of their organization.

(CG T-15, 9/1/61)

GEORGE LINCOLN ROCKWELL, self-designated leader of the ANP, contacted the Washington Field Office of the FBI on October 17, 1961, and advised that one PAUL ANDERSON from Chicago had been a visitor at the ANP headquarters on October 16, 1961, in Arlington, Virginia. ROCKWELL stated that ANDERSON stated he was from Chicago representing MAX NELSON and the Institute of Bio-Politics. ROCKWELL said he was not able to determine the real purpose of ANDERSON's visit, but believes ANDERSON was trying to get him to join forces with MAX NELSON.

During his visit, ANDERSON displayed two passports to ROCKWELL, and ANDERSON indicated he was about to depart for travel around the world. ROCKWELL stated that he saw the wallet of ANDERSON and that it contained numerous twenty and fifty dollar bills. ROCKWELL described ANDERSON as follows: 180 pounds, wears hornrimmed glasses, dressed very well, and could pass for a diplomat. He further described ANDERSON as someone who talked like a homosexual. In fact, ROCKWELL stated ANDERSON made a proposal to one of the ANP troopers at headquarters.

CG T-8 advised on April 5, 1962, that he had just learned that PAUL GEORGE ANDERSON had returned from his European trip and was again residing in Chicago, Illinois. To the best of source's knowledge, ANDERSON returned to Chicago in early March, 1962.

CG T-8 stated that ANDERSON previously claimed his intended purpose for travelling to Europe was to visit Portugal on business, in that he, ANDERSON, and others, are

allegedly concerned in certain transactions with the Portugal Government to establish a public relations office in Chicago, Illinois, representing that country.

ANDERSON has advised that he received a good reception from "the Portuguese Government", however, the idea proposed by him was turned down reportedly at the instigation of the Portuguese Ambassador to the United States. The Ambassador apparently looked into his background and found him "too radical", ANDERSON theorized.

This source stated that ANDERSON has advised he will continue to induce the Portugal Government to invest money in the proposed public relations office in Chicago. If Portugal refuses, source continued, ANDERSON intends to capitalize on the "poor press" Portugal has received in recent months from such things as Goa, etc.

ANDERSON claims to have "lined up" GEORGE LINCOLN ROCKWELL, National Commander of the ANP, and should Portugal continue to decline their investment in the public relations firm, they, apparently meaning ANDERSON and ROCKWELL, will throw the full support of ROCKWELL and his ANP behind Portugal. Source claims apparently ANDERSON considers this sufficient pressure, considering the bad publicity that would result from such support, to induce Portugal to accept the idea.

Regarding ANDERSON's trip abroad, source stated ANDERSON claims to have visited his "usual stops", but did not elaborate as to specific countries.

ANDERSON stated he intended to leave the United States again for Europe in approximately two months. His plans in this connection were not discussed, source stated.

Source advised that since ANDERSON's return he has been unemployed and apparently does not intend to seek employment in view of his proposed trip to Europe.

PAUL ANDERSON recently accompanied several other individuals to the ANP headquarters, Chicago, Illinois, to make arrangements concerning a forthcoming NSRP meeting to be held in Chicago on June 16, 1962.

On August 6, 1962, [] a secretary at the American Embassy, Madrid, furnished information regarding her contact with a Mr. ANDERSON at the Cordoba Palace Hotel in Cordoba, Spain, on July 24, 1962. She advised that while she was at the hotel swimming pool, she was invited by two male individuals to join them in a drink; one was an American in his twenties, blond, who introduced himself as Mr. ANDERSON, and the other was older and British. ANDERSON monopolized the conversation and in doing so he described his activities as a writer, wherein he specialized in travel and political subjects. [] asked ANDERSON what papers or magazines he wrote for, and he rattled off the names of British, German, American, and South American periodicals and papers, all of which [] gathered were extremist and some containing the name Nazi. [] interrupted ANDERSON and asked him to be serious and to tell her for whom he really wrote; however, he said he was serious. She asked him, "Do you mean you are really pro-Nazi?" ANDERSON replied, "Yes".

During the conversation he made statements that were anti-Jewish, anti-Catholic, and at one point he made the statement that it had been one of his dreams to be head of a concentration camp.

ANDERSON's file in the Passport Office, United States Department of State, was reviewed by SA [] on December 17, 1963, and the following additional information developed: b6 b7C

PAUL GEORGE ANDERSON was last issued passport D-611511, at Chicago, on February 7, 1963, for proposed travel for four months or more to Hungary, Austria, Switzerland, Portugal, Germany, Holland, Spain, Morocco, France, Bulgaria, Iceland, Belgium, and Czechoslovakia, for business and pleasure. In application dated January 31, 1963, at Chicago, he stated intention to depart about February (1963) from New York City, via Iberian or Icelandic Airlines, not by organized tour. He stated he had made two trips abroad within the past year and expected to travel abroad again within a year. This passport was valid for three years travel to all countries except Albania, Cuba, and those portions of China, Korea, and Viet Nam under Communist control.

ANDERSON gave his permanent residence as 5 North Wabash Avenue, Chicago, in care of the Anderson Company. He indicated he had never been married. In event of death or accident, he requested that Mrs. ADELE J. ANDERSON, his mother, be notified at 4300 North Lake Shore Drive, Chicago. In connection with obtaining a new passport, he filed a sworn affidavit January 31, 1963, at Chicago, that he was unable to locate his previous passport. In applying for a new passport, he requested he be issued 48-page passport (type issued to those who travel extensively), stating his previous passport and its extended pages were completely covered with travel control stamps.

A meeting described as "a meeting between representatives of right wing organizations" was held January 3, 1964, at Chicago. PAUL ANDERSON was in attendance. The purpose of this meeting was to bring together "right wing groups and individuals" to determine if a meeting of the mind could be achieved between these various right wing groups and individuals. The NSRP fostered the idea and purpose of this meeting; however, the ANP membership at the meeting opposed the ideas of the NSRP with some degree of hostility.

On March 12, 1964, the American Consulate, Fenta Delgada, through the American Embassy in Lisbon, Portugal, advised that they had received several accounts of meetings with PAUL ANDERSON from a number of local Portuguese people. It was said that he called himself a "merchant of hate" and said that he belonged to an American organization that was dedicated among other things to the overthrow of democracy, the abolition of the capitalistic system, the destruction of all religions, and the extermination of the Negroes and Jews. Reportedly, he was quite proud of the fact he was both an atheist and a racist, and he also had quite a few comments to make about the assassination of President KENNEDY. He said that "KENNEDY deserved to die and never has been a good President, and JOHNSON is just as bad. It (the assassination) was a well done job. OSWALD was a hero and was the only person in the affair that people should be sorry for."

His fiancée's name was indicated as [REDACTED] ANDERSON stated he would return to Hungary after several months (the usual time required for the Hungarian authorities to consider an application by a foreigner to marry a Hungarian national), marry his fiancée, and then file a non-quota petition on behalf of his wife. ANDERSON, upon being informed of the procedures to be followed, i.e., requesting marriage approval from Hungarian authorities, filing of petition, immigrant visa requirements, and so forth, alluded to the fact that highly placed 'right wing' political figures would assist him to expedite these processes.

On September 2, 1964, PAUL GEORGE ANDERSON appeared at the American Embassy, Prague, Czechoslovakia, and he reportedly made the following statement at that time:

He advised that he had witnessed the Czechoslovak police using strong arm tactics on a group of African students at the Prague Airport on August 21, 1964. These students, who had just seen a group of African friends depart from the airport, had allegedly refused to pay the bus fare, stating that as guests of the Czech Government they should be permitted travel free. ANDERSON stated that the police had tried unsuccessfully to encourage them to pay the fare and that the policeman had been roughed up by the students and pushed out of the bus. Sometime later a

large group of Czech police arrived to subdue the students and, according to ANDERSON, they were subdued by being clubbed over the head. ANDERSON advised the Embassy that he had graciously given the Czech police his personal advice, which he said was to "Shoot the Niggers."

ANDERSON previously called on the American Embassy in Prague on April 4, 1964, and at that time he reported to Embassy officials that East German intelligence agents had attempted to recruit him for spying. He told the Embassy officials that he was requested to furnish information and material such as: letterhead stationery of American firms; American telephone books and personnel lists; information concerning the internal operations of American companies, which he would extract in the course of intimate relations with secretaries and other female personnel.

ANDERSON said that in addition to furnishing information and material, he was requested to send people whom he considered useful and cooperative to the East German Intelligence Bureau. When ANDERSON was asked why he was singled out for an attempted recruitment for espionage, ANDERSON replied he thought it was natural in view of his connections with many rightists, political organizations in Europe and America, and with the Portuguese Government. ANDERSON stated he had not done any of the things asked of him and that he had no intention of engaging in espionage against the United States.

1965, ANDERSON was in Budapest, Hungary. ANDERSON was in contact with individuals in Budapest and claimed that he had been to the Leipzig Fair in East Germany where he had access to the diplomatic box. He reportedly praised the East German Governmental Regime with its tight police control, but he indicated he did not approve of the economic policy in East Germany. ANDERSON reportedly stated at this time that he advocated assassination as an appropriate political tool if events warranted it.

On June 1, 1965, CG T-20 advised that PAUL ANDERSON visited the American Embassy, Budapest, Hungary, on or about March 10, 1965. During his visit ANDERSON reportedly engaged in a "monologue" with American Embassy officials, Mr. KENNETH KELLER and Mr. J. G. KECSKEMETHY, who jointly issued a signed statement of their recollection of ANDERSON's remarks. Their recollection of ANDERSON's remarks is as follows:

"ANDERSON stated that he was completely in favor of assassination as a political weapon. He said that the most effective way of dealing with political opponents is to knock on their doors and 'shoot them in the face' when they answer. ANDERSON said that this would also be a better way of eliminating unwanted Jews and unfriendly groups than holding mass executions. When asked whether he personally would be capable of performing such an assassination, ANDERSON replied that he believed he would, and that the Secret Service must also believe so, because they checked on his whereabouts within a half hour after the attack on President KENNEDY. He added that he was not in favor of that particular assassination.

"ANDERSON commented that in a few years he either will be in a position of political power or will have been killed in the struggle between his side and their opponents."

On July 30, 1965, CG T-18 reported that ANDERSON arrived in Austria from Hungary on July 26, 1965. It was indicated that ANDERSON had planned to return to Budapest, Hungary, on the morning of July 31, 1965, and that he planned to remain there for six days, thereafter, returning to Vienna. From Vienna he planned a trip into the "so called German Democratic Republic" and Prague, Czechoslovakia. His travel was to include a visit to the Leipzig Fair and he indicated that he would finally return to Vienna.

CG T-18 continued and furnished the following concerning ANDERSON's background:

ANDERSON advised that since 1955 he had been a partner in the M and N Associates, which handled employment matters, public relations and so forth, and that he earns approximately \$5,000 per year. ANDERSON claimed to have been formerly a representative for a periodical known as "Europa-Korrespondenz" (Europe Correspondence) in the United States of America. As a representative of this periodical he tried to make it available to a large circle of persons in the United States. In regard to distribution of the aforementioned periodical, ANDERSON mentioned the name of [redacted] Chicago, Illinois.

b6

ANDERSON advised that he was not, and had not ever been, a member of the National Socialist Party in Austria, Germany, or in the United States. However, he added he was not a foe of the National Socialist Party.

A source advised on November 14, 1960, that on that date a meeting was held in Chicago, Illinois, for the purpose of organizing a Chicago unit of the American Nazi Party (ANP) which maintains headquarters in Arlington, Virginia. AMERICAN NAZI PARTY OF THE WORLD UNION
OF FREE ENTERPRISE NATIONAL SOCIALISTS,
ALSO KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time The World," copyrighted in 1961, GEORGE LINCOLN ROCKWELL identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leader," a Richmond, Virginia, daily newspaper, reported that GEORGE LINCOLN ROCKWELL had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia; but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that ROCKWELL's Party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964, a source advised that the ANP - WUFENS was organized by GEORGE LINCOLN ROCKWELL at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by ADOLF HITLER. He added that ROCKWELL is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and fourth, "the attainment of power through the votes of the newly-won masses."

On September 16, 1965, the source advised that GEORGE LINCOLN ROCKWELL believes he has completed the first three phases in his struggle for power and is now into the fourth stage, to wit, the "attainment of power through the votes of the newly-won masses." The source stated ROCKWELL believes this because of his success in gaining a place on the ticket in the November, 1965, gubernatorial election in the State of Virginia.

NATIONAL STATES RIGHTS
PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP, is the individual who "runs the NSRP."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

Information concerning PAUL ANDERSON

It has been learned that PAUL ANDERSON "the darling of the right wing" returned to the Chicago area in about September, 1965. He worked for Leased Personnel, Inc. a Chicago company operated by MAX NELSON for about one month after his return. ANDERSON was having difficulty with the U. S. Passport Office in getting a renewal on his passport but just recently was unsuccessful in getting it renewed. It was learned that ANDERSON will be returning to Europe in the near future.

ANDERSON was believed residing on Marine Drive in Chicago at least part of the time he was in Chicago.

Re WFO memos dated 9/17/64, and 12/8/64.

Enclosed are 12 to the Bureau and 3 to Chicago of an LHM containing results of review of subject's passport number D611511 by SA [redacted] on 1/21/66, and review of subject's passport file by SA RICHARD A. A copy was made of subject's photo appearing in his application dated 1/31/63, and will be forwarded to Chicago, by routing slip when processed.

The following information of an administrative nature contained in the passport file of subject is being set forth as of possible interest, and is not included in the LHM:

Interoffice memorandum resulting from ANDERSON's application dated 1/12/66, for renewal of his passport summarized his previous activities abroad; However, it was concluded by the Passport Office and the Bureau of Security and Consular Affairs that the information available concerning subject would not afford a legal basis for denial of passport facilities.

WFO 100-31374

A memorandum to the file dated 2/7/66, from [redacted] Passport Office, disclosed that [redacted] Senior Coordinator in the Intelligence Division, Internal Revenue Service (IRS) called to inquire about details of subject's current status and background information. Mr. HALEY advised that the Chicago Office of IRS would be directed to look into ANDERSON's tax situation. (The IRS inquiry probably resulted from information received from the American Legation, Budapest, dated 6/27/64, that subject reportedly admitted he had not filed an income tax return for several years.

b6
b7C

The file contained a copy of an airgram dated 2/10/66, from the State Department to all American Embassies and Consulates in Western Europe advising of ANDERSON's intended travel. The airgram advised that "for a number of years ANDERSON has traveled abroad extensively and his activities and conduct have been the subject of dispatches from Lisbon, Madrid, Budapest, Prague, Berlin and Bonn." He is a self-styled "merchant of hate", who makes every personal contact abroad an occasion to voice his anti-American and racist opinions. He claims affiliation with neo-fascist groups and reported himself to have been the subject of a recruitment attempt for espionage by East Germany intelligence agents. He advocates assassination as a political weapon and considers himself capable of such action. "He has been variously characterized as a psychotic and a egomaniac." The addressees may, at their discretion, inform local law enforcement authorities about ANDERSON". The Department requested to be informed of any information concerning him coming to the attention of the addressees. The London, Paris, Rome, Bonn and Bern Embassies were advised that they may report to their legal attache only.

CG 105-2363

All of the sources mentioned in this memorandum have furnished reliable information in the past.

On August 8, 1961, an officer of the Chicago Police Department advised the Chicago Office of the FBI that he had learned from a confidential source that on August 7, 1961, PAUL GEORGE ANDERSON had attempted to convert another individual to the philosophy of the Institute for Bio-Politics, an organization purported to be an extreme anti-Semitic and anti-Negro group. The source accompanied ANDERSON to a social function via public transportation; ANDERSON explained to the source that he was using the public transportation because "he was saving his money to buy a gun to shoot President KENNEDY."

Another source advised in 1959, that ANDERSON had been a guest at the Hilton Hotel in Berlin, Germany. While at the Hilton Hotel, it was reported that ANDERSON had lengthy conversations with employees of the Hilton Hotel in which ANDERSON indicated that the only books that ANDERSON would like to see in his room would be those by KARL MARX and HITLER. ANDERSON also told various employees that "HITLER forgot most of the Jews, all should be killed; all Negroes should be killed; they are not human, they are half-ape". ANDERSON stated he had a plan for getting rid of Negroes, starting with Africa where all medicine would be withheld and harmful bacteria would be placed in water sources and foodstuffs and stated that "all Negroes in the states should be killed and people who consider Negroes as human should also be killed". ANDERSON said that if he had the opportunity he would kill Chief Justice EARL WARREN and Mrs. WARREN, who were guests at the Hilton Hotel during the last period of ANDERSON's stay there. ANDERSON also said that he belonged to an "institute" which calls for wiping out all people except the "white race". ANDERSON also stated he does not believe in democracy but believes that a state should be ruled by a dictator or by a group of persons

CG 105-2363

who would be responsible for all decisions and voting should be limited to a selected group. ANDERSON also advocated introducing into the United States the "sport" of blowing up Jewish Synagogues.

Another source advised that during 1964, it was reported by several individuals that ANDERSON had referred to himself as a "merchant of hate" and said that he belonged to an American organization which was dedicated among other things to the overthrow of democracy, the abolition of the capitalistic system by destruction of all religions and the extermination of all the Negroes and Jews. He also stated that "KENNEDY deserved to die and never has been a good President, and JOHNSON is just as bad. It (the assassination) was a well done job. OSWALD was a hero and was the only person in the affair that people should be sorry for".

Another source advised during 1965, that ANDERSON had made the following statements:

"ANDERSON stated that he was completely in favor of assassination as a political weapon. He said that the most effective way of dealing with political opponents is to knock on their doors and 'shoot them in the face' when they answer. ANDERSON said that this would also be a better way of eliminating unwanted Jews and unfriendly groups than holding mass executions. When asked whether he personally would be capable of performing such an assassination, ANDERSON replied that he believed he would, and that the Secret Service must also believe so, because they checked on his whereabouts within a half hour after the attack on President KENNEDY. He added that he was not in favor of that particular assassination.

"ANDERSON commented that in a few years he either will be in a position of political power or will have been killed in the struggle between his side and their opponents."

CG 105-2623

Another source advised during 1966, that (ANDERSON for a number of years has travelled abroad extensively and is a self-styled "merchant of hate" who makes every personal contact abroad an occasion to voice his anti-American and racist opinions.) He claims affiliation with Neo-Facist groups and reported himself to have been the subject of a recruitment attempt for espionage by East German Intelligence Agents. (He advocates assassination as a political weapon and considers himself capable of such an action. He has been variously characterized as a psychotic and egomaniac.)

In view of the above revolutionary statements by ANDERSON and his statements which depict a propensity for violence and his hatred for Negroes, Jews and organized government, he is potentially a dangerous individual in the time of a national emergency.

SUBJECT: PAUL GEORGE ANDERSON
SM-X

File reviewed and no indication that ANDERSON is in possession of any firearms. ~~He has been described as a psychotic and an egomaniac.~~
IT SHOULD BE NOTED ALTHOUGH THAT IN 8/61 ANDERSON REPORTEDLY STATED "I'M SAVING MY PENNIES SO THAT I CAN BUY A GUN AND KILL PRESIDENT KENNEDY." ANDERSON ADVOCATES ASSASSINATION AS A POLITICAL WEAPON AND CONSIDERS HIMSELF CAPABLE OF SUCH ACTION. HE HAS BEEN DESCRIBED AS A PSYCHOTIC AND AN EGOMANIAC.

In view of the above it is logical to believe that he would possibly resist arrest.

PAUL GEORGE ANDERSON

T-1, a U. S. Government agency with offices abroad, furnished information as follows:

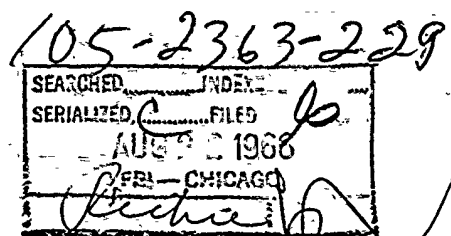

shw
ANDERSON appeared in Vienna, Austria, in July 1966 and indicated that he wished to go to Albania for about two weeks on a business trip on behalf of the Austrian import-export firm of Wilhelm Landig, publishers of books and periodicals, 53 Favoritenstr., Vienna IX. His work would be to survey the volume and type of printed material being exported to Austria by Albania. ANDERSON said he could get an Albanian visa on a piece of paper rather than in his passport, but did not intend to do this.

ANDERSON also claimed that his relations with the East German Government were strained because he had refused to be recruited for espionage.

On 10/6/66 [REDACTED] (protect - requested), [REDACTED] of the Chicago Branch of the American Nazi Party (ANP), who has furnished reliable information in the past, advised SA [REDACTED] as follows:

b6

PAUL GEORGE ANDERSON telephonically contacted her on October 1, 1966, and she met him on 10/1/66 in Chicago and had a conversation with ANDERSON. She stated she had met ANDERSON on one occasion previously in Chicago during the early part of 1966.

During her conversation with ANDERSON on 10/1/66, he stated he is presently unemployed having recently arrived in Chicago from Europe and is presently residing with his mother, at 4300 North Marine, Chicago. ANDERSON was very complimentary concerning his remarks regarding the Communists in Russia and said the Communists have no desire to take over this country or cause a Communist revolution in the United States. There is complete political freedom in Russia, although the press in this country reports that this is not the case. The papers in the United States are overly concerned with the threat of Communism in this country, although they have no reason for this concern. ANDERSON referred that he had attended several CP meetings in Chicago in the past, although he did not elaborate any further on this statement. Regarding the present conflict between the Chinese Communists and the Russian Communists, the Chinese Communists are misguided in their beliefs and will eventually realize that the Russian Communists are correct in their approach concerning world problems. He added that the Russians are the "good guys" and like ANP members, the Russians do not like the Negroes and believe they should be subjugated and completely controlled in every respect by the white people in the world.

[] ANDERSON appeared to be attempting to convince that her loyalty should be to the Communists and not to the ANP. He stated that although she was an ANP member, this would not stop her from being a Communist because by being a Nazi, this does not mean that she is opposed to Communism.

b6
b7C

ANDERSON mentioned that he has talked to numerous representatives of the United States in the past and the United States Government thinks he is a spy because he travels extensively in Europe and has numerous friends and acquaintances throughout Europe. He added that the United States Government has not been able to determine his occupation or source of income. ANDERSON did not state what his occupation or source of income was.

[] stated that ANDERSON impressed her as being conceited and possibly psychotic. He apparently makes many statements to try to shock people and to create an impression, although in her opinion, he is definitely an individual who should be considered dangerous inasmuch as from his statements, he could be capable of doing almost anything as he felt it would serve his purposes and further his beliefs.

Source stated that OSCAR HARMON is a Chicago attorney who in the past has handled legal matters of the American Nazi Party (ANP). HARMON and PAUL ANDERSON are acquainted, however are not particularly friendly. Sometime ago HARMON and PAUL ANDERSON together with MAX NELSON, owner of the Leased Personnel, Incorporated, talked about plans to establish a business arrangement with HARMON being the attorney and ANDERSON supplying the contacts whereby they would attempt to establish trade and business arrangements with certain East European countries through the Lipzig Trade Fair. This source advised there may have been a possible plan of HARMON and NELSON to go to Europe to attempt to salvage this deal which has apparently fallen through, however, source knows of no contemplated plans of HARMON or NELSON to go to Europe in the near future.

Source stated that HARMON has a romantic relationship with PAUL ANDERSON's mother. However, he stated HARMON dislikes PAUL ANDERSON.

PAUL GEORGE ANDERSON, born April 11, 1936, at Chicago, Illinois, was issued Passport Number D611511 on February 7, 1963, which was renewed on February 4, 1966. His application reflects an intention to depart from Chicago via Air France in February for a visit of two months to "France, Austria, Hungary, Bulgaria, Czechoslovakia, Poland, Romania, Germany, Portugal, etc."

For a number of years, ANDERSON has traveled abroad extensively and his activities and conduct have been the subject of dispatches from Lisbon, Madrid, Budapest, Prague, Berlin and Bonn. He is a self-styled "merchant of hate" who makes every personal contact abroad an occasion to voice his anti-American and racist opinions. He claims affiliation with Neo-Fascist groups and reported himself to have been the subject of a recruitment attempt for espionage by East German Intelligence Agents. He advocates assassination as a political weapon and considers himself capable of such action.

He has been variously characterized as a psychotic and ego-maniac.

CG T-4 advised on February 14, 1966, that PAUL GEORGE ANDERSON planned to leave Chicago on February 11, 1966. ANDERSON stated he was returning to Europe. ANDERSON indicated that while in Europe, he was employed as a broadcaster and he uses the name of "EUSTACE" (phonetic) in this employment. According to CG T-4, ANDERSON stated that he spends a lot of time in East Germany when he travels in Europe.

On January 21, 1966, records of the United States Passport Office, United States Department of State, Washington, D.C., were reviewed by a Special Agent of the FBI and the following information was noted concerning Passport Number D611511, which was issued to PAUL GEORGE ANDERSON on February 7, 1963. - 1965: West Germany, Spain, Hungary, Czechoslovakia, Austria, The Netherlands, Portugal, Morocco, East Germany, France, Denmark, Berlin and Sweden.

It was found that the passport also contained other stamps with illegible dates. There were many stamps in the passport for Hungary, Czechoslovakia, and East Germany. His dates of return to the United States are shown as November 1, 1963, at New York, New York, November 16, 1964, at New York, New York, and October 21, 1965, at Chicago.

The passport file of PAUL GEORGE ANDERSON was reviewed by a Special Agent of the FBI at the Passport Office, United States Department of State, Washington, D.C., on March 8, 1966, for any additional information concerning ANDERSON.

The file disclosed that Passport Number D611511, issued to ANDERSON on February 7, 1963, was renewed by the United States Department of State, Washington, D.C., on February 4, 1966. His passport will now be valid to February 6, 1968. This passport is not valid for travel to Albania, Cuba and those portions of China, Korea and Viet-Nam under Communist control.

ANDERSON's application dated January 12, 1966, indicated that he intended to depart from Chicago, Illinois, by Air France about February for the purpose of "business,

pleasure" and planned to stay abroad for two months. He expected to return to the United States by air and expected to take another trip abroad within a year. He listed the following countries to be visited:

"France, Austria, Hungary, Czechoslovakia, Bulgaria, Poland, Romania, Germany, Portugal, etc."

He furnished the following background:

Date of Birth	April 11, 1936
Place of Birth	Chicago, Illinois
Permanent Address	5 North Wabash Avenue, Chicago, Illinois 60602
Mailing Address	Same
In the event of accident notify	MAURICE C. ANDERSON, father, 25 East Chestnut Street Chicago, Illinois.

During March, 1966, CG T-3, referred to above, furnished the following information concerning PAUL GEORGE ANDERSON:

On April 25, 1966, ANDERSON appeared with his wife [redacted] a Hungarian National, at the American Embassy, Vienna, and filed a petition to establish her immediate relative status on July 6, 1964. ANDERSON had married his wife on one of his trips to Budapest in 1964. Because of sanctions under Par. 243g of the INAct, Mrs. ANDERSON was unable to obtain her visa in Budapest, traveled to Vienna, and is pursuing her application in Vienna.

During the intervening time after approval of the petition, ANDERSON orally requested to withdraw the petition on two occasions, but never followed through in writing. At present, however, he wishes to honor the petition and requested

his wife's immigration to the U. S. His apparent primary purpose in calling at the Embassy was to ascertain the status of his wife's visa case so he could take whatever further steps are necessary to effect her immigration. He was told that the only remaining requirement was that of presenting suitable public charge evidence, now that his intentions regarding the petition were clarified.

ANDERSON claimed that he was penniless and, therefore, was unable to present evidence of financial capability to support his wife. He indicated that his lawyer would be willing to execute an affidavit of support for Mrs. ANDERSON. The submission of an acceptable affidavit is now being awaited and upon receipt thereof, it is expected that Mrs. ANDERSON can be invited for formal visa application.

Concerning the nefarious activities of ANDERSON, there is little to add that is new. He still travels frequently into Communist countries, does not hesitate to propound his racist views, and remains a generally obnoxious person. He did not disclose his occupation, source of income (he smilingly said he is legally penniless), or his future plans. He suggested that it might now be possible for him to take a trip to Albania in view of the recent court decision that the travel restrictions which appear in U. S. passports cannot be enforced. He voiced approval of what he considers to be a growing anti-Semitic movement in Austria, and believes it is more significant than the authorities and press have reported. He mentioned his "organization" (not further identified) wishes to set up a booth at the next Leipzig Fair.

ANDERSON's conjugal relationship appears at best tenuous. He seemed to feel that it would be inevitable that his duties and necessity to travel would force him and his wife to live apart from one another very frequently after her immigration, but nevertheless claims he wants her to go to the United States.

During May, 1966, CG T-3, referred to above, furnished the following additional information concerning ANDERSON:

ANDERSON appeared in Vienna, Austria, in July, 1966, and indicated that he wished to go to Albania for about two weeks on a business trip on behalf of the Austrian import-export firm of Wilhelm Landig, publishers of books and periodicals, 56 Favoritenstr., Vienna IX. His work would be to survey the volume and type of printed material being exported to Austria by Albania. ANDERSON said he could get an Albanian visa on a piece of paper rather than in his passport, but did not intend to do this.

ANDERSON also claimed that his relations with the East German Government were strained because he had refused to be recruited for espionage.
